ADMINISTRATION

DENISON'S BUILDING PLAN

For over a hundred years, men of consecration, vision and wide business experience on the Board of Trustees, have directed the affairs and conserved the assets of Denison University. The accumulated investments of several generations now amount to nearly six million dollars. We need at least five million dollars additional to make the college what it ought to be to serve the present and the coming generation.

| Present Assets | |
|--|-----------------------|
| Present Endowment | \$3,322,768.33 |
| Present Investment in Lands, Buildings and Equipment | 2,583,605.45 |
| Current Operating Balance | 23,774.19 |
| Total | \$5,930,147.97 |

| Endowment Needs | |
|--|-----------------------|
| Ten Endowed Professorships | \$1,000,000.00 |
| Endowment for Maintenance of Buildings | 600,000.00 |
| Scholarships—Fifty at \$5,000 each | 250,000.00 |
| Provision for Leaves of Absence and Pensions | 200,000.00 |
| Physical Education and Athletics | 100,000.00 |
| Musical Lectures, Concerts, etc. | 50,000.00 |
| Lectureships | 50,000.00 |
| Loan Fund for Students | 50,000.00 |
| Additional General Endowment | 275,000.00 |
| Total | \$2,575,000.00 |

| Equipment Needs | |
|--|-----------------------|
| New Library | \$ 200,000.00 |
| Music, Fine Arts, and Dramatics Building (including Auditorium) | 350,000.00 |
| Additions for Music and Art Studios | 150,000.00 |
| Building for Biological Sciences | 200,000.00 |
| Administration Buildings | 275,000.00 |
| Building and Equipment for Physical Education for Men | 250,000.00 |
| Additional Building and Equipment for Physical Education for Women | 150,000.00 |
| Student Social Center | 75,000.00 |
| New Women's Dormitory | 125,000.00 |
| Dormitory and Dining Hall for Men | 350,000.00 |
| Chemistry Laboratory | 200,000.00 |
| Central Heating Plant | 100,000.00 |
| Total | \$2,425,000.00 |

Total New Endowment and Equipment \$5,000,000.00

The New Library and one hundred thousand dollars of the Endowment has already been secured. Gifts and bequests by the friends of Denison will make this vision become a reality. Information will be gladly furnished by

The Board of Trustees,
Millard Brelsford, Secretary,
Granville, Ohio.

UPPER CAMPUS—Looking east from Marsh Hall, we see the traditional quadrangle. Day after day, students tread the familiar walks leading to Doane Hall, Talbot Hall and to Barney Science. Memories of many years are centered here and the quadrangle life has been and always will be the nucleus of student life.

BEAVER AND SAWYER HALLS—These two dormitories were open for use in 1926. The buildings, identical in construction, are of Georgian colonial style of architecture. The rooms are en suite and completely equipped.

WHISTLER MEMORIAL HOSPITAL—This memorial hospital came into use in 1929. It occupies a secluded site on the slope of Prospect Hill, overlooking the village and the picturesque valley.

FRATERNITY ROW—The winding road on College Hill circles by the homes of four national fraternities. Fraternity Row is the scene of many delightful gatherings. Its situation affords a good view of Deed's Field.

LOWER CAMPUS — At the foot of College Hill, facing Broadway, are three of the Women's Dormitories, Stone, King, and Burton. They include reception parlors, reading rooms, and apartments for faculty women.

DOANE ADMINISTRATION HALL—This building was a gift in 1894. The Offices of Administration occupy the first and second floors. Other rooms are devoted to instructional uses.

BARNEY MEMORIAL HALL—This hall was built and equipped for the college, in memory of Eliam E. Barney. It has four floors, consisting of laboratories, lecture rooms, special libraries, and offices.

TALBOT HALL—Named in honor of Samson Talbot and erected during his presidency. The two lower floors are taken up with classrooms, laboratories, and department offices. The upper floors are rooms for men students.

CLEVELAND HALL—This Hall was erected in 1904. It represents the care taken for the physical needs of the men students. A Trophy Room is one of its features. Several other rooms are used for instructional purposes.

MARSH HALL—This structure resembles very much that of Talbot Hall. Part of the building is now occupied by one of Denison's social groups. It is also used as the journalism center and for classes along this line.

DOANE GYMNASIUM—

The gymnasium for young women was donated by Dr. W. H. Doane. It is equipped with swimming pool and has a large floor for class athletics and sports.

SWASEY CHAPEL AND OBSERVATORY —

College Hill is crowned with these stately edifices. The Chapel was dedicated in 1924. It is colonial in style, faced with Ionic columns supporting the portico. The Observatory was erected in 1909. It is of Vermont marble and is equipped with modern astronomical instruments of the best quality.

A D M I N I S T R A T I O N

STANDING, left to right—Fred D. Barker, Rev. Charles Lyon Sea-sholes, Percy L. Wiltsee, Henry A. Stout, Harry C. Royal, Willard D. Chamberlin (deceased), Charles F. Burke, Frank B. Amos, G. Herbert Shorney, Howard Lewis and Ellis P. Legler.

SEATED, left to right—Francis W. Shepardson, Professor Osman C. Hooper, Rev. Tileston F. Chambers, W. Porter Beck, David E. Green, President Avery A. Shaw and Rev. Millard Brelsford.

B O A R D O F T R U S T E E S

The Board of Trustees of Denison University is created by the Charter first granted by the Legislature of Ohio in 1832. There are thirty-six members, twelve being elected each year for a period of three years, two of whom are chosen by the Alumni, the others by the Board itself. They are men of broad business and professional experience and come from a wide range of territory including New York, Chicago and Pittsburgh, though by the Charter provision a majority must be residents of Ohio. They are charged with the care and investment of the Endowment Funds and the general management of the University.

Mr. H. C. Royal of Cleveland is Chairman of the Finance Committee and the advice and help of the Cleveland Trust Company is given in the investment of the funds. Much of the detail work of the Board is done by the Executive Committee of which Mr. A. M. Colby of Mansfield is Chairman. Mr. D. E. Green, a prominent attorney of Cleveland, is Chairman of the Board and Col. E. A. Deeds of New York and W. P. Beck of Pittsburgh are vice-chairmen. Dr. Millard Brelsford, as Secretary, gives full time to the service of the Board with offices in the Broadway Office Building, Granville.

Willard D. Chamberlin
303 N. Robert Boulevard, Dayton
Died February 8, 1936

DR. AVERY SHAW
President

I appreciate the opportunity of speaking to the Adytum constituency through this excellent yearbook. The College has reason to be proud of the work that is done from year to year in preparation of this book illustrating the various features of our school life. I am sure that the volume this year will be wholly creditable to the institution.

We are happy to note signs of renewed interest in the future of Denison. The outstanding event of this year is the contribution from Mrs. George W. Dorane and her sister, Miss Ida F. Doane, of funds for the erection and endowment of the new Doane Library Building in memory of their father, William Howard Doane. The building itself will cost something over two hundred thousand dollars and, we expect, will be ready for occupancy before Christmas. This building will give adequate facilities for the indefinite future, provision being made for enlargement of the stacks as this may be necessary.

The faculty of Denison is interested, as are many of our students, in developing our curriculum to meet the changing times in which we are living. We are quite conscious that there are many values coming out of the past that must be conserved. We feel that it would be better for us to be unduly conservative rather than to be among the first to try new things for the sake of novelty. Our major interest is not with the maintenance of curricular regularity but with the students themselves, their aptitudes, and their possibilities. We recognize that students differ largely in their mental aptitudes and their personal outlook on life and that our curriculum ought to adapt itself to these variations in personality.

To the junior class, looking forward to its final year at Denison, may I offer my hearty appreciation for their contribution to the life of the school hitherto and my hopes for a satisfying senior year at Denison!

SENIOR CLASS

Approaching the close of their senior year the Class of 1936 looks back over the past four years of struggle and achievement. The officers for the year were: Bob Brundige, president; Catherine Kelly, vice-president; Ruth Ford, secretary, and Charles Arnold, treasurer.

Plans for Scrap Day were made and following an unusually well prepared breakfast a speedball team representing the Class of 1936 defeated the Junior class to mark up its first victory of the entire four years.

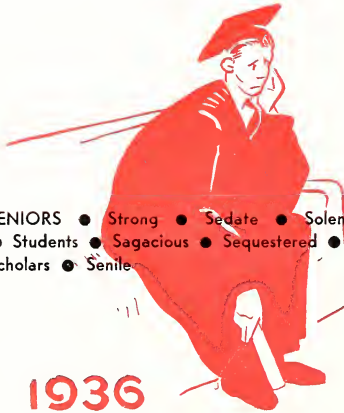

The academic side of Denison was not neglected by the Senior class as 15 men and women were initiated into Phi Beta Kappa.

In the Spring, a class dance was held at the Sigma Chi house, which was a complete success.

To add to the festivities of Mothers' Day, Ruth Ford was crowned May Queen, attended by her court of senior women and their escorts.

There is little doubt that the Senior class was composed of leading men and women, when one looks at the progress that they have made in all organizations on this campus.

To perpetuate the unity of the Senior class the following officers were unanimously elected: Charles Arnold, president; Harriet Herron, vice-president; Fred Franz, treasurer; Martha Robuck, secretary, and Lucian Warren, editor.

CLASS OF 1938

The Class of 1938 during its second year at Denison has accomplished much of which it is proud. The class officers for the year have been: Richard Cullen, president; Evelyn Murton, vice-president; and Robert Vorhis, secretary-treasurer.

Throughout the year excellent unity and cooperation was seen in the class. On Scrap Day these qualities were evident. Greatly outnumbered the Sophomores bowed to the Freshmen by one point.

Scholastically the Class of 1938 rated very high. At the beginning of the year 31 of its members were elected to Phi Society of Phi Beta Kappa. This is indeed a great record.

Lower Panel—Turnbull, Turner, Van Wagoner, Vincent, Vorhis, R., Vorhis, R., Walmsley, Walthour, Ward, Warner, Watkins, Webster, Wells, Welles, Welsh, West, White, Whitehead, Wilson, Wiltgen, Winchell, Wood, F., Wood, M., Wood, W.

The Class of Thirty-nine can look with pride on the achievements of its first year. Being one of the largest to enter Denison, numbering over three hundred, it had strength both in number and potentialities.

On Scrap-Day, Thirty-nine took over the Sophomore Class, demonstrating its spirit among both men and women. On Homecoming the Class again showed its organization in leading the pep rally and building the bonfire. Besides these events the Class sponsored a dance and two class breakfasts.

At the beginning of the year the Class elected Edwin Niederhofer, temporary president. The permanent officers later elected were: Stanton Condit, president; Mary Smith, vice president; Eleanor Williams, secretary; and Thomas Orme, treasurer.

Lower Panel—Walker, B., Walker, M., Wallace, Wallis, Way, Webb, Welsh, P., Welsh, E., Welsh, J., Wheeler, White, Wiggins, Wight, Wiles, Wiley, Wilkins, Williams, Williamson, Winchester, Wingert, Wolf, Wolfe, Woods, Woodworth, Woolson, Wright, Yoder, Zaleski, Zell, Zimmerman.

Sidney Jenkins
Director of Intramurals

Thomas A. Rogers
Head Football Coach

Sidney Gillman
Asst. Football Coach

Walter J. Livingston
Director of Physical Education Department

*Front Row: Geffine, Acker, Rupp, Larimer, Levering, Foster, Walker, Myers, Meier, Meier, Jacobi, Snyder, Seikman.
Second Row: Rice, Evans, Holth, Christman, Neuschel, Harman, Eggert, Vincent, Sitterle, Haas, Oatman.
Third Row: Beveridge, Webster, Western, Kovachy, Riddell, Austin, Haynes, Short, Crites.*

During the past year the "D" Association has taken an active part on the campus. The "D" men again exercised their authority over the Freshmen as to wearing Freshmen caps and abiding by the rules and traditions on our campus. At Homecoming a very successful and enthusiastic Pep Meeting was held under their guidance. Several times during the year shows were sponsored by the Association.

Credit for active participation should go to Fred Walker, President, and Frank Jacobi, Secretary-Treasurer, as well as to the "D" Association as a whole.

MANAGERS

*Seated, left to right: Davis, Webster, Neuschel, Nisbet.
Standing: Levering, Snyder, Myers.*

TRAINERS

*Seated: Craig, Owen, Kinnee, Reid, Sharp, Van Horn.
Standing: Coughenour, Blasdel, Bisbee, White, Bell, Dudley, Adair.*

Seated—Cudmore, Clissold, E. Meier, Williams, Jacob, Rupp, Foster (Captain), W. Meier, Larimer, Johnson, Powell, Hull.

Second Row—Nisbet (Co-Mgr.), Neuschel (Co-Mgr.), Haynes, Chrysler, Jenkins, Rader, Crites, Shoop, Gehrandt, Stewart, Sitterle, Sattlem, Cowgill, Bettler, Gillman (Asst. Coach), Rogers (Coach).

Third Row—Oatman, Vincent, Malloy, Swisher, Holth, Kovachy, Raymond, Evans, Cornell, Baker, Page, Austin, Wick.

V A R S I T Y F O O T B A L L

Denison placed itself in the football spotlight of Ohio football last fall under the guidance of Tommy Rogers, when it met such teams as Western Reserve and Cincinnati. This was Tommy's first season as head coach and with the aid of Sid Gillman, of Ohio State fame, they brought the team through with four victories and five defeats.

Captain Hube Foster led a new and brilliant offense which brought to a close his great career as a Denison ball carrier. His running mates in this fast and hard blocking backfield consisted of Rupp, Wick, and Kovachy alternating with Holth, Raymond, and Jenkins.

Captain-elect Stewart was as outstanding in the line as was Foster in the backfield. He was flanked by Al Larimer and Bill Meier at the guards, Haynes and Shoop at tackles, with Jacoby at one end and either Vincent or Evans at the other.

The proverbial excuse of hard luck can be justifiably applied in the case of football at Denison in 1935. Tommy gave us a team with real fight and spirit on and off the field. The outlook for Tommy's second year is bright, and the squad of 1936 has better than an even chance of bringing home the conference title.

Freshman football brought approximately three teams to the practice field. There they were taken under the wing of Laurie Wart, ex-Denison star. From this group Wart was able to get some good material for future varsity berths. From the fall practice sessions the Frosh squad had to wait for spring football.

During this period of pre-varsity training many good prospects came to light. Duffy looked like real varsity material at a tackle while McBride, Mulcahy, and Vincent showed a lot of promise. In the backfield Boggs, Pettit, Orme, Banning, and Tamblyn proved that they were ready for action.

The Freshman squad of 1935 ought to bring a lot of credit to the football teams of Denison within the next three years, and make the prospects for next year even more hopeful.

DENISON 27

KENYON 6

After a 6-6 tie at the end of the first half the Denison offense opened up, and turned in a 27-6 victory in the opening game of the season at Deeds field.

Two brilliant stands on the five yard line enabled the Gambier squad to hold Denison scoreless until late in the first half. Foster then broke loose on one of his memorable long runs of sixty-three yards to give Denison an early lead. However, it was not to be held long, for late in the second quarter Kenyon blocked one of Rupp's punts and fell on the ball, tying the score.

Seated—Orme, Cleff, Vincent,
Kresge, Pettit, McBride,
Meyer, Banning.

Second Row—Wart (Coach),
Keenan, Duffey, Greer,
Duffy, Lidster, Daniels,
Davis, DuBey, Willett (Asst.
Coach).

Third Row—Boye, Miller, Fael-
chic, Hearsey, McNeill,
Sanderson, Brooks, Pyle,
King.

Denison did not score again until late in the fourth period. After Foster and Wick had advanced the ball to the three yard line, Jenkins took it over. A dropped punt and a ten yard run by Holth netted another touchdown. Later Foster broke loose again for an eighty yard run to score. Spike alone gained 212 yards from scrimmage and had an average of eight yards per try.

Foster was the big gun of the attack, but both Wick and Raymond showed good signs of promise. In the line Stewart and W. Meier played outstanding games. The ends both turned in good performances, Jacobi, on defense, and Evans, covering the punts.

DENISON 0

MUSKINGUM 6

A blocked punt on the twelve yard line in conjunction with a short pass caused the Big Red to lose its first game of the 1935 season. After that one bit of scoring both defenses tightened to the point where it was necessary to use kicking as a possible offensive measure. These measures put the Muskies in Denison territory often but on each attempt to score the Denison defense tightened.

After the blocked punt in the shadows of the D. U. goal-posts a short flat pass enabled the opposition to put over the winning margin. During the second half the Big Red came to life and with Foster leading the way they presented a brushing attack which often penetrated into deep Muskie territory.

Cox, Muskie end, will be remembered for the manner in which he broke up many of the advances of the Denison ball carriers. Foster broke loose on a sixty yard run near the end of the game but was only to be called back on an offside penalty. Big Red luck ran the same way during the rest of the game and the pre-game favorites left the field, their conference championship hopes dimmed.

The line functioned well throughout the game. W. Meier and Hull at guards both played sparkling defensive games. Foster was held down by the outstanding ability of Cox, and as a result Holth showed a lot of good ball carrying.

DENISON 0

CINCINNATI 35

Denison went to Cincinnati to play a night game in which their opponents displayed a varied attack which netted them a 35-0 victory. Powerful running plays featuring the giant colored star Gant, and a passing attack with Nolting tossing the ball was more than enough to defeat the Granville team soundly.

D

JACOBI

Another graduating senior is the "Herr". Frank played two years as regular end for the Big Red, and in that time developed into a capable and dependable end.

CRITES

"White Trash" Crites, sophomore tackle, played a consistent game at both the offense and defense. John is well over the two-hundred mark, and will be a valuable asset to the team next year.

KOVACHY

George will no doubt be an important factor in the success of the team next year. He is a capable ball carrier and dependable blocker making him a sure bet for a backfield position.

FOSTER

Captain "Spike," "Hook," or "Hube" completed his third year as one of the greatest Denison ball carriers. He provided the Big Red with a number of long runs which will not be forgotten. Not only did Foster play football, but performed on Livy's quintet, and was a big factor in the success of the baseball team.

MEIER

The elder of the two Meiers, or is he, could be found hanging on to the opposition's shoelaces when plays came his way. A transfer in his sophomore year, Bill played and earned all the credit given to him in the past two years.

WICK

Eddie Wick was the boy who did the tossing for the eleven. Eddie was not only an accurate passer, but also did his share of the ball carrying and defensive play.

STEWART

The "Boot," a Cleveland product, has been the mainstay of the line for the past two years. His brilliant defensive play and heady football made him a sure choice to lead Tommy's aggregation in 1936.

SHOOP

The "Bison" was handicapped with a shoulder injury, but nevertheless he was able to start many games for the Big Red. He showed plenty of fight at his berth of tackle and makes himself a prominent candidate for that position next fall.

LARIMER

The "Pro" finished his last season for the Big Red, playing a regular guard on Tommy's eleven. Al will be missed for his defensive ability next year.

RUPP

Another graduating back is "Rover" Rupp who handled the signal calling as well as a large share of the punting for the Big Red. His kicking was an important factor of the team's successes.

EVANS

Evans, a capable pass handler and offensive end, will return for his last season, and promises to be a part of a successful eleven.

Raymond

Sattlem

Powell

Austin

Cincy's defense was strong enough to hold Foster down, and the running honors were divided among Foster, Kovachy, Wick, and Austin. The offense was able only to gain 60 yards against the air-tight Bear Cat defense. Despite Foster's attempt to break loose he played a good game and had to be content without scoring.

Although the Big Red was far outclassed by their opponents they showed a lot of fight on defense, and the Bear Cat runners during the first quarter found them holding stubbornly. It was in this department that Alex Stewart deserves a great deal of credit. Many of the Cincinnati folk turned out to see Jack Rader in action again. They were not to be disappointed for Jack played an exceptional game, finally being taken out because of a knee injury.

Frank Jacobi at end, was another who did more than his share at cutting down the potential scorers. It was a disappointing outcome for the Denison squad, but they should be given credit for a good fighting performance they displayed before the Cincinnati spectators.

DENISON 13

WITTENBERG 0

A homecoming crowd of 5000, the largest since 1927, saw Denison emerge after a hard fought game with a 13-0 victory.

It was the superiority of the Big Red passing attack that was largely responsible for the victory. While none of the passes figured directly in the scoring, they continually menaced the Red Devils' goal, and finally enabled Denison to put the ball over. Wick again did the passing while Holth, Evans, and Jacobi were on the receiving end.

The first Denison touchdown resulted after the Wittenberg quarter-back mishandled a pass from center, Evans recovering the ball. Foster took the ball the remaining five yards to the goal. Spike was also responsible for the second touchdown carrying the ball off tackle for eighteen yards.

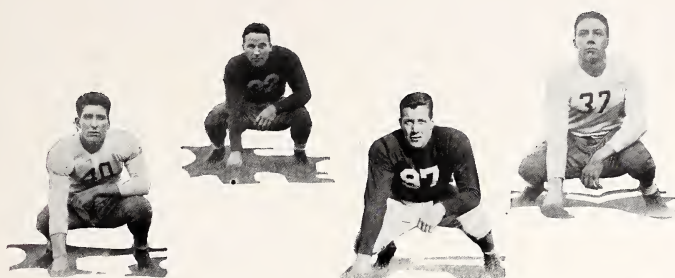

Clissold

Rader

Oatman

Gerhandt

DENISON 0

TOLEDO 13

In their fourth encounter Denison succumbed to the Toledo Rockets 13-0. The Big Red again jinxed, had plenty of chances to score but failed to take advantage of their opportunities.

The rockets showed a lot of power in the opening half, and after a series of line plays managed to put the ball over. Just before the half Foster and Kovachy had advanced the ball to the Toledo nine yard stripe where the gun sounded. The second Toledo score came when Denison made a futile attempt to score with a pass which was intercepted.

Kovachy and Wick both showed great potentialities in their backfield positions. The former along with Rupp did a lot of blocking which aided Foster in ripping off some substantial gains. Stewart as usual led the defense while Gerhandt and Crites cooperated in holding back the Rocket advances. Vincent, playing at end, showed great signs of promise.

DENISON 6

MARIETTA 22

A deadly passing attack found the Granville team on the short end of a 22-6 score. Magee led the attack against the Big Red, and besides being personally responsible for three touchdowns, he displayed the best aerial ability that Denison saw all season.

Denison's sole touchdown resulted after Kovachy had carried the ball to the nine yard line where Foster took the ball and carried it over.

Foster and Kovachy proved to be the best Denison had to offer in this game. Harold Haynes led the defense which held tightly the first half and caused Marietta to resort to an air attack which proved fatal to the D. U. hopes.

DENISON 26

TRANSYLVANIA 0

The Big Red made an impressive last appearance before the "Dads' Day" crowd when they took the Kentuckians to the tune of a 26-0 score. It was Foster again leading the offense with Wick, Kovachy and Raymond tossing laterals.

Spike Foster's first of his three successive touchdowns came early in the first quarter when he returned a punt forty-four yards, and he carried the ball over on two plays.

Rupp's punting was at its best on this day, and a kick close to the opponents' zero stripe aided in the second score. The Kentuckians kicked out to the forty where Kovachy on the end of several laterals brought the ball to the five. Foster carried the ball across.

A fumble and another run of eighteen yards by Foster brought the total to 18-0. Two passes, one to Jacobi and another to Raymond gave the Big Red the last score of the day. The defense was strong throughout; Vincent playing a fine game at end as did Stewart, Shoop, and Haynes at their respective positions.

DENISON 0

WESTERN RESERVE 38

A large percentage of the student body migrated to Cleveland where they saw their team take a brushing defeat from the Western Reserve Red Cats. The Denison squad put up a game fight against a heavier and more experienced squad which was rated as one of the best in Ohio.

The game was all Reserves' except at the beginning of the first period when Ken Zeh fumbled on his own forty-five. Wick and Foster advanced the ball to the Red Cats' sixteen where Foster had the hard luck to fumble. The only other scoring chance came just before the gun sounded for the end of the half when Wick passed to Raymond who fell just a foot short of a touchdown.

Page

Jenkins

Johnson

Chrysler

The Zeh brothers' combination with Burgwin and Ippolito made the rest of the afternoon unpleasant for the team from Granville. Although the scoreboard showed a 38-0 when the Big Red marched off the field for the last time, it can be said that this was not a true representation of the comparative abilities of the two teams.

Denison was soundly defeated, but nevertheless they played good football. Wick shared the backfield honors with Foster, passing accurately and doing his part defensively. Larimer played brilliant football at guard as Stewart did backing up the line.

DENISON 27

OHIO NORTHERN 13

The Big Red piled up a 27-0 lead at the half which enabled them to win the last game of the season. Denison played the brand of ball that had been expected of them all year. The ball-carrying by Foster and Kovachy and the defensive play by Stewart and Larimer were outstanding.

Two touchdowns by Foster and two more by Kovachy gave Denison the lead at half time which was so instrumental in their victory. However, the Polar Bears returned after the intermission, and put over thirteen points by the use of a varied running attack. It was Foster's kicking which kept the Northern team from closing the gap in the score to any further degree.

It was Foster's last game for Denison, and he made an impressive exit. While losing one great ball carrier the Big Red may have another in Kovachy who displayed a lot of ability in making two touchdowns and playing a brilliant defensive game.

The whole team looked good and the graduating seniors of the line: the Meier brothers, Clissold, Larimer, and Jacobi all played fine football. It was a fitting finish to the season making us look to a greater season next year.

Second Row — Davis (Mgr.), Watkins, Sitterle, Dewey, Short, Haynes, Livingston (Coach).

V A R S I T Y B A S K E T B A L L

Basketball at Denison during the 1935-1936 season could not be called profitable from a victory standpoint. However, Livy gave us a team with real fight and an unconquerable spirit. The opposition in the Ohio Conference was strong, and the Big Red team was faced by many high scoring teams, but never failed to put up a game fight.

Hampered by the lack of an individual star it was necessary to try various combinations throughout the season.

Christman and Watkins held down the guard positions and provided the team with a greater percentage of the scoring. Watkins, who is only a sophomore, displayed the most individual promise on the team.

Sitterle, Haynes, and Short alternated at the forward positions. Haynes was good on defense and managed to score a number of points.

Stewart played regular center, but Dewey played a lot of basketball for the Big Red, when Stewart was handicapped by an ankle injury received in the Georgetown game.

A strong Freshman team in conjunction with the loss of only two members of this year's squad makes the prospects for next year's team look bright.

DENISON 51

GEORGETOWN 36

The Denison aggregation opened their 1935-36 basketball season with a victory over Georgetown of Kentucky by rolling up 51 points. Gus Christman, playing his second year for the Big Red, led the attack with 17 points.

Alex Stewart took the second scoring honors with a total of 9, but an ankle injury sustained in the last thirty seconds kept him out of the game for five weeks.

Haynes, sophomore forward, played a brilliant defensive game by continually bringing the ball down off the back board to start the offense moving. The team showed a lot of fight and a prosperous season was predicted for the cagers.

DENISON 36

KENYON 19

The Big Red took the second game of the season from the Gambier bucketeers by a 36-19 count. It was Denison all the way after they had overcome the early lead of the Kenyon cagers. Christman again led D. U. to victory by tallying for 12 points.

Dewey, 6 ft. 6 in. center, took Stewart's place and made a creditable showing at his position. Haynes' performance netted him 7 points. Watkins and Harman played alternately at guard and showed that Livy had plenty of reserve potentialities.

Seated — Tambllyn, Jones, Ferguson, McNeill, Walsh, Morrow, Harman.

Second Row—Rogers (Coach), Johnson, Anderson, Meyer, Bayless, Meistrup, Orne, Rupp, Wick (Asst. Coach).

DENISON 25

Denison cagers travelled to Tiffin to hand the Heidelberg team a defeat before laying off for Christmas vacation. Dewey, Christman, and Harman led the Denison squad to victory with six points apiece.

The Granville team displayed a brilliant attack the first half by building up a strong lead which carried them through the rest of the ball game.

Although Watkins did not score many points, he provided himself with a future first team berth, by brilliant defensive game, and excelled in floor work.

DENISON 49

A victory over Franklin College gave the Big Red its fourth successive win of the season. Harold Haynes took over the scoring honors when he dropped five from the floor and six from the charity line for a total of 16 points. Both Dewey and Christman accounted for 10 more of the total.

Watkins starting his first game of the season for the Big Red showed up well at his position. Sitterle and Harman also looked good against the Columbus opposition.

DENISON 35

Denison suffered its first defeat of the season at the hands of an accurate Wooster team. The Scots making almost impossible shots from all positions of the floor upset the pre-game predictions in which the Big Red were favorites.

Haynes and Christman led the D. U. quintet with 10 and 9 points respectively. Dewey accounted for 8 more of the Denison total.

DENISON 27

Marietta brought the most impressive basketball team seen on the Wigwam floor all season and went away with a 43-27 victory. Denison played the best ball it had all season, but it was not enough to cope with the strong Pioneers.

The score at half time was 18-16 with Haynes leading the way. However, the rangy Pioneers led by Captain Bowser, piled up enough points during the last stanza to win by a wide margin. Christman tallied 10 points while Haynes was not far behind with 9.

DENISON 47

The Big Red cagers improved their winning percentage against the Heidelberg Princes by taking them into camp in an impressive manner. However, continual fouling prevented either team from exposing the full strength of their offense.

Christman hit the basket for 12 points and took the individual scoring honors. Haynes and Sitterle garnered 8 apiece. Denison outclassed their opponents in every department of the game, and a good season was still seen for the team.

DENISON 23

The Denison quintet made an unprofitable trip to Springfield when they dropped their game 40-23. A fast breaking Lutheran offense took away the early Denison lead resulting in a 20-11 score at the half.

Another rally at the beginning of the second half was soon checked, marking the end of the D. U. scoring.

Stewart dropped 10 points, and was followed by Christman who threw in 6.

HEIDELBERG 21

FRANKLIN 25

WOOSTER 50

MARIETTA 43

HEIDELBERG 26

WITTENBERG 40

D

DENISON 41

Even a late rally of eleven points could not erase the 29-18 margin the Cardinals held at intermission. Loucks, center, and Rutter, forward, made it a discouraging evening for the D. U. quintet by dropping 23 and 10 points respectively.

With only five minutes to go with the score standing 45-30 Denison unleashed a hard drive with Watkins and Foster leading the way. The rally fell short four points, but displayed real fight on the part of the Big Red squad.

Watkins was by far the outstanding man to perform for Denison, accounting for 16 points, and smart defensive play.

DENISON 17

The league leading Marietta Pioneers gave the Denison basketball squad another setback when they played another of their point-a-minute games. It was Marietta's ball game throughout with Fenton and Bowser holding up the offense.

The Pioneers took an early lead and held it the entire game. Watkins was the Big Reds' only flare of offensive power counting for 7 points.

DENISON 26

In a return game at Otterbein Denison suffered their second defeat of the season by the Otterbein Cardinals. The Loucks and Rutter combination again played havoc with the Denison defense, scoring 32 points between them.

Stewart, Short and Sitterle each accounted for five points of the Big Red total while Dewey, Watkins and Christman scored the points completing the total.

DENISON 29

After leading nearly the entire game Denison finally succumbed to a late Lutheran attack. The Big Red held an 18-10 lead at half time and remained in the lead until the final stages of the game. In the last seven minutes the Wittenberg aggregation managed to forge into the lead after successive baskets by Werner and Florence.

The Livymen were somewhat hampered by the loss of both Stewart and Dewey on fouls. Sitterle garnered 8 of the total while Short and Christman added 5 more apiece.

DENISON 22

Gambier was the scene of another defeat for the Big Red who did not play the type of basketball they had against the more difficult opponents. Kenyon played inspired basketball probably because they had been handed two defeats in the field of sport earlier in the school year.

The Kenyon team was led by Seback and Sammon who both played creditable games. The Denison total was divided in small proportions among the squad members. Dewey and Haynes each took 6 while Foster, Stewart, and Watkins accounted for the rest of the total.

DENISON 36

Denison lost their last home game of the season by one point in an overtime match. It was on this evening that Livy was recognized for his twenty-five years of service to the university.

Oberlin led at the half by a 21-18 score. Both teams kept up the scoring during the second half, the totals changing hands a number of times. A foul shot in the overtime by an Oberlin man gave the added point which was the winning margin. Haynes accounted for 6 points and Stewart for 5 to lead the Denison scoring.

DENISON 39

Muskingum swamped the Denison five in their last game of the season on the visitors' court. The Big Red quintet had a hard time finding the bucket and at the same time were lax on their defensive to spell another loss for the squad of '35-'36.

Fifteen points by Harden, Muskie forward, was high total for the contest while Haynes and Sitterle dropped seven and six points respectively.

Christman was the only member of the Denison squad to be mentioned on the All-conference team, winning honorable mention as a guard on the all-star rating.

OTTERBEIN 46

MARIETTA 43

OTTERBEIN 53

WITTENBERG 34

KENYON 39

OBERLIN 37

MUSKINGUM 18

HAYNES

Basketball is also included in Haynes' athletic program. A consistent, hard-working forward was Harold. He was the second of the starting sophomores.

LINSON

"Roy" was one of the smallest men on the squad. Nevertheless he was known to be a fast player, and to have a good eye. This was his first year of service.

SITTERLE

Carl played one of the forward positions on the starting five. He too, added numerous points to the scoring column, and contributed a steady game to the squad.

CHRISTMAN

High point man of the Big Red cagers was Gus Christman. At guard he played a good defensive game, and put in more than his share of the buckets. One more year the squad will see and use his services.

WATKINS

"Wattie" was probably the best ball-handler on the squad. As Christman's running mate he also accounted for a number of points toward the Denison total. Watkins, only a sophomore, will be important in the attack next winter.

STEWART

The "Boot" walked off the football field and onto the court to handle the rip-off position for the D. U. quintet. Stewart was the center of the team work, and held up his end defensively.

SHORT

Bill returned to Denison after an absence of a year, and put up a lot of good basketball for the Big Red. A dead eye and good floor work put him often in action during the season.

JACOBI

Jacobi held the honor of being able to shoot more types of shots from more peculiar positions than any man on the squad. This was the "Herr's" last year as a Denison football and basketball man.

DEWEY

Dewey, as the tallest man on the team, was Stewart's understudy at center. During Stewart's absence, due to injury, he saw a great deal of action, and his good work during this period put him in many a game.

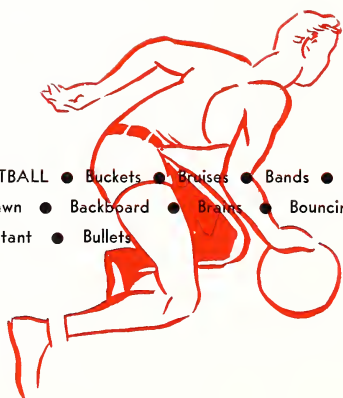

FOSTER

The object of much comment from the stands was Foster. But more than once his presence almost won a ball game, since his eye counted for points from all spots on the floor.

HARMAN

Johnny Harman won his second letter as a Denison Guard, and has another year to perform on the floor. He provided the spectators with a lot of good basketball.

V A R S I T Y T R A C K

Coach Livingston was faced with a difficult problem in that he only had three letter men returning to participate in the 1935 track season. Such men as Ned Bacon, Herb Winsor, and Paul Scheetz were lost through graduation. Nevertheless Livy presented us with a well rounded track team although it was slightly weak in the field events.

Sam Nicola ran the half mile for the third year in a row, and won many points in this event, and added many more by his performances as second man on the relay team.

Hundley and Warner were the other two returning lettermen. Warner performed in the field events while Hundley was one of the two "iron men" on the track squad. He participated in the broad jump, and both the high and low hurdles.

Another man who had a lot to do with what success that Denison might have had was Dick Page. He was entered in as many as four events in a meet and usually performed well in all of them. In addition to running in the dashes Page earned a number of points in the high hurdles, and shot put.

Acker was the mainstay of the sprints taking first in the 100 and 220 yard dashes in a majority of the meets. Jenkins was another of the Denison sprinters making this the strongest point winning department the Big Red had. Jenkins was handicapped by an appendectomy operation early in the spring.

Riddell led the trio of 440 runners of Clark and Cudmore. John Harman threw the javelin for the Big Red. Austin in the pole vault, Steward in the shot, Taylor in the distance runs, McCluskey in the hurdles, and Christman in the sprints all added additional points to the Big Red total.

DENISON 62

MUSKINGUM 69

Because of their weakness in the field events the Denison University track team lost their first dual meet of the season.

However, the dash events were strong as was evidenced by Acker, Page, and Christman finishing 1-2-3 in the 100 and 220 yard dashes.

Dick Page ran the high hurdles for the first time in team competition and took a first handily in this event, and followed in second place by Hundley.

Bob Taylor ran a nice race to win the two mile run. In the other distances Nicola ran second to Hinds who beat him out in the last twenty yards, while Cudmore took third. Taylor was not to be content with only a first in the two mile and took a second in the mile.

Seated — Dyer, Taylor, Ward, Turner.

Second Row—Webster (Mgr.), Dornbush, LaRue, Turner.

The Denison relay team composed of Christman, Nicola, Clark, and Riddell won their event easily.

Hundley earned a second in the broad jump as did Thorsen in the high jump. Riddell ran a good race in the 440 but was nosed out of a first place by a few yards. John Harman threw the javelin for a second.

DENISON 87

OTTERBEIN 36½

CAPITAL 34½

The Big Red played hosts to Capital and Otterbein at Deeds field in the second meet of the season. Here the Denison squad had the chance to test the abilities of the team in competition. Denison amassed a total of 87 points.

Acker and Page tied for high point men with ten points apiece. Acker earned his points with firsts in both the 100 and 220 while Page collected his ten points with a victory in the high hurdles, a second in the 220, and a third in the shot.

TOLEDO 66

DENISON 65

One point was the slight margin that Toledo held over the Denison track squad enabling them a victory. Even though Denison took eight firsts to the Rockets five they could not place enough men to afford them a team victory.

Ed Jenkins returned to his uniform to take a first in the 100 and a second in the 220. Acker alternated with Jenkins in taking the 220 and placing second in the 100.

Dick Page met with a mishap in the low hurdle race when he fell over a hurdle while he had a victory in his grasp. A victory in this event would have meant the meet for Denison.

John Harman took first place in the javelin while Bordner contented himself with second in that event. Riddell paced the 440 runners and took the event in good time.

Sam Nicola stepped out to win the half mile race, and also aided the relay team of Christman, Clark, and Riddell to victory.

D

DENISON 32

CINCINNATI 99

The Big Red succumbed to the Cincinnati partly because of the absence of Page, Hundley, Warner, and Bordner, and partly because of the strength of the opposition.

Gant, the colored giant who caused so much trouble for the Big Red in their recent football encounter, took three firsts.

McCuskey was the Big Red's individual star, taking second honors in both the high and low hurdles and placing third in the pole vault. Acker and Christman collected a second and third apiece in the dashes.

Sam Nicola put up a great race against Elliot of Cincinnati, but was overtaken in the last fifty yards by the fast-finishing Cincy half-miler. Bob Thorsen got the only first for the Big Red, and enabled the Denison tracksters to return home minus the whitewash.

DENISON 37

OHIO WESLEYAN 94

The Ohio Wesleyan track team was evidently too much for Denison this year though it will be remembered that the Big Red gave the Delaware team a defeat the previous year.

The thirty-seven points the Big Red were able to account for fell between various members of the squad. Nicola and Stewart placed 1-2 in the half-mile.

McCuskey again proved his value by bringing home a first place tie in the pole vault; a second in the high hurdles; and a third in the low hurdles.

Acker continued his fine work in the dashes but was able only to place in his two specialties, the 100 and 220 yard dashes.

Besides running anchor on a victorious relay team Riddell kept up his consistent work in the 440 yard dash by taking a second in this event. This was the last meet before the Big Six and this Wesleyan meet was disappointing in that it did not make the future of 1935 track very bright.

BIG SIX MEET

The Big Six meet held at Wooster attracted sixteen of the most able track teams in the state of Ohio. Over two hundred field and track stars competed against each other each putting out his best so his team could bring home the trophy of the Ohio Conference Field and Track Meet.

Oberlin presented the most outstanding team, piling up 52 points to take the championship by a wide margin. Wooster, hosts of the event, placed second with 27 points, while Bowling Green finished third, only two points behind Wooster.

Denison had to content herself with eighth place, and counted for only ten and a fraction points. These tallies were due mainly to the efforts of Robert Acker, the Baptist sprint star, who finished second in the 220 and third in the 100. Austin and Hundley added the other Denison points. Austin earned a tie for third in the pole vault while Hundley tied for a second in the high jump.

The three outstanding individual performances of the meet were in the two mile run, half mile, and the javelin. Chegwiddden, of Wooster, set a new O. A. C. record in the two mile event. In the half-mile Williams of Oberlin put up a great race to easily win the event. The javelin throw brought Vornheld, of Heidelberg, to the front when he threw the object one hundred and eighty-five feet.

McCUSKEY

Last year was Jim's first year as a hurdler for the Big Red. His times were always good. Next year he will probably be number one man in this event.

CHRISTMAN

"Gus" is as much at home on the cinder track as he is on the basketball court. The 100, 220 and the mile relay were the events he participated in.

RIDDELL

"Rough House" Riddell was the number one 440 man on the squad. Riddell was a consistent point getter in the 440 and he also anchored the mile relay.

ACKER

At the dashes Bob was consistent and successful. He is to graduate this year.

PAGE

Dick was one of the all round performers by competing in the dashes, hurdles, and shot put. "Herbie" won his letter his sophomore year and collected many points for the Big Red team.

CLARK

Clark ran the 440 along with Riddell and ran in the number two position on the mile relay. Johnnie garnered many points in the two events.

STEWART

Not only does "Boot" play football and basketball, but he also puts the shot on the D. U. track team. He has just one more year of competition.

NICOLA

Sam was one of the best half milers in the state and was one of the high point men for the season. He ran the half under two minutes, and also ran a good lap for the mile relay.

BOWERMAN

Bowerman was a broad jumper and low hurdler. This was his senior year and he made enough points to win his award.

WARNER

"Lem" did his part in throwing the discus. His tosses generally netted Denison some points.

THORSEN

Bob was number two man in the high jump. More will be heard of him in the two track seasons to come.

AUSTIN

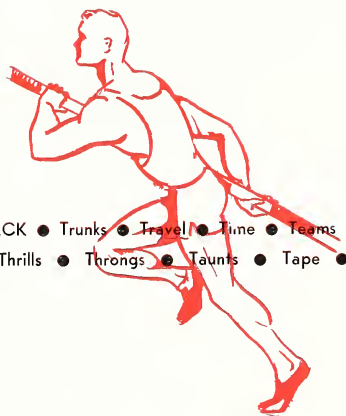

In pole vaulting "Buck" is most talented. The heights he attained always meant points for the team. This year he is a junior.

HARMAN

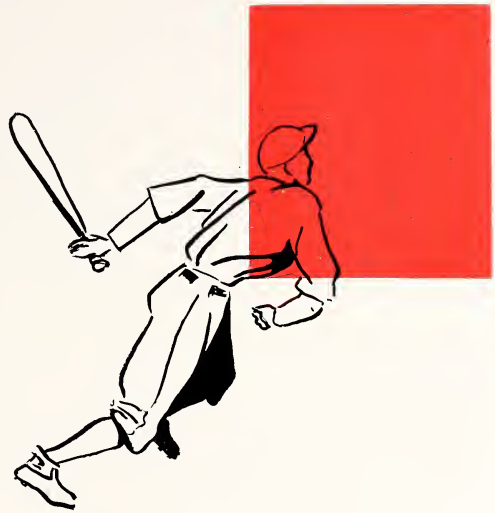

"Abie" turned from throwing in baskets for Livy's cagers to throwing the javelin for the track team. Johnnie was a consistent performer, and he is expected to go places in the next two years.

HUNDLEY

Marion proved to be one of the most valuable men for the Big Red. Hurdles, high jump, and broad jump were his events.

B A S E B A L L

Seated—Hatch, Rupp, Seikman, Haas, Johnson, Hemingway, Cole.

Second Row—Levering (Mgr.), Walker, Alban, Beveridge, Ferguson (Coach), Foster, Eggert, Wick, McNair (Asst. Mgr.).

V A R S I T Y B A S E B A L L

Under the guidance of Tom Ferguson, the baseball squad of 1935 revived the lost interest in the sport with a better than average season. Ed Wick who did some of the hurling for the Big Red during the season proved to be exceptional in this department. Ed turned in many outstanding performances including his victory over Capital when he struck out twenty-two batters and hit two home runs, a double and a single. However, due to a sore arm he was moved to outfield during the latter half of the season and handicapped the winning percentage of the ball club.

Ted Johnson handled the receiving job. He had a cool head behind the plate and handled his pitchers well. Besides Wick the Big Red had Hemmingway and Seikman on the mound.

Gil Cole, playing his second season for D. U. at first base, played a brilliant fielding game as well as adding a great deal of power at the bat. Walker played at the keystone sack, and added considerably to the spirit and pep of the team. Hatch and Eggert played alternately at short stop while Foster held down his position at third. "Spike" was a constant threat to the opposing pitchers and aided Denison to more than one victory through sparkling fielding plays.

Rupp, Haas, and Beveridge comprised the outfield during the greater part of the season, but the strength of Wick's bat placed him often in one of those positions.

A lot of credit should be given to Ferguson for the well balanced team he presented. The baseball season ended with four victories against three losses. The team displayed power at bat, and mediocre ability on the field. It was a successful season and proves to be the revival of one of the most popular sports on the campus. The outlook for next season is prosperous since only two of the regulars will be absent at the outset of the 1936 season.

DENISON 1**MUSKINGUM 16**

After the first game had been called off because of snow, Denison and Muskingum were able to get together on the latter's field, but only to present a one-sided affair in which the Muskies took the decision 16-1.

While the Muskies collected twelve hits, Denison accounted for only four. Hemingway started the game, but was soon relieved by Seikman. Finally, Wick was called in to stop the scoring at the beginning of the eighth. Denison's four hits went to Rupp, Foster, Wick, and Beveridge.

The Denison infield made many errors which netted the opposition six unearned runs.

**DENISON 11****CAPITAL 7**

Capital, who had been the conference champions the previous year, bowed to the Big Red in the second game of the year. Wick was the hero of the hour when he played a memorable game on the mound and at bat. Twenty-two men were removed by the strike-out route. Eddie also clouted two circuit blows, triple, and a single. This was by far the outstanding performance of the season.

D. U. made a total of twelve hits. In addition to Wick's four, Cole, Beveridge, and Johnson collected two apiece, and Foster and Rupp each got one.

**DENISON 3****OTTERBEIN 2**

The second victim of the Denison nine was the Otterbein Cardinals who took a 3-2 defeat at the hands of Wick and Seikman. Foster and Cole were the batting stars of the game, collecting two and four hits respectively.

Foster's hits included a home run and a double. The infield was working at its best, making only one error. Both teams played good ball, each taking advantage of the breaks, and keeping the crowd interested in a close game.

**DENISON 6****WITTENBERG 5**

It took the Big Red eleven innings to defeat the Wittenberg Red Devils on the opponent's diamond. It was Wick's second victory in as many starts and the third for the Big Red of the season.

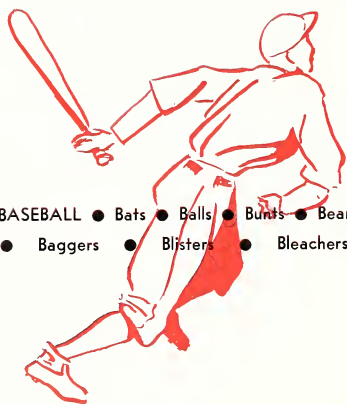

Johnson, Foster, and Beveridge connected for extra base hits throughout the game, making it hard for Florence, the Lutheran pitcher. In the eleventh Johnson drove Cole home with the winning run to insure Denison of another victory.

Demming

Brady

Otis

Frederickson

Biggar

V A R S I T Y G O L F

The participants on the golf team brought credit to Denison even though they had only a fifty-fifty winning percentage in their team matches.

The golf team found it hard to replace such constant point winners as Ashley and Ogsbury. However, Frederickson and Brady managed to keep under eighty the greater part of the season, and aided a great deal to the outcome of the team. Biggar, Demming, and Otis played the other two positions and won a number of points for the Big Red.

After losing their first match to Wooster, the team settled down to take the next four matches in a row. Among these were Ohio Wesleyan and Kenyon, both reputed to be strong opposition. The former suffered a 17½ - 1½ defeat at the hands of D. U.

The rest of the matches were not as successful and numerous losses spoiled what at the outset looked like a good year.

T H E 1 9 3 6 S W

The swimming team of 1935-36 had what could be termed an unsuccessful season, but there were reasons for this. This was the second year the Big Red had placed a swimming team in Ohio Intercollegiate competition, and this year it was expected that Denison would have a winning team. However, due to ineligibility and sickness it was an unusually weak squad.

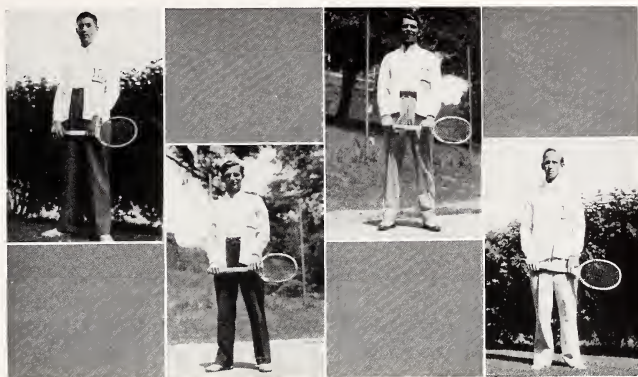

Eight meets were scheduled for the swimming team but their success was confined to a few meagre points in each meet. Tom Sheldon and Jack Rader, two of the outstanding prospects at the beginning of the year, were lost to the squad.

Fred Franz took charge of the team which took their practice in the pool at Cleveland Hall. His material consisted of only nine swimmers, which did not give him a wealth of material to work with. In the free style events Franz, Herron, Boehnke, and Dobson performed. Dyer earned a number of

Seated — Turnbull, Anderson,

Wooten
Bunje
Austin

V A R S I T Y T E N N I S

The Denison tennis team had nothing more than a mediocre season in 1935, winning only three out of their nine inter-collegiate matches. It was evident that there was enough material, but not of efficient enough caliber. Jim Wooten coached the team through the season and played number one man on the team.

While Wooten was the most consistent performer on the squad, Dave Dix turned in many good performances during the season for the Big Red. Ketner, Bunje, Austin, Nichols, Stroup, and Norton alternated with each other in the third and fourth positions.

George Norton and "Bump" Ebaugh, along with Wooten and Bunje, played most of the doubles matches.

The Ohio Conference matches were held at Gambier in which the hosts were victorious. The Kenyon team was strong and took the title easily.

I M M I N G S E A S O N

Second Row—Franz (Coach),
Herron, Boehnke, Vincent,
Barr (Mgr.).

points swimming the side stroke for the D. U. team. Pettit was the most constant performer in the back stroke while Vincent and Turnball worked in the breast stroke division.

Franz swam the 440 yard crawl and took a number of first and second places for the Big Red, as did Pettit in his event. In the first meet of the season against Wittenberg Denison lost, but the ability of Sheldon was noted when he took first place honors in the 50 and 100 yard free style.

Denison lost all of her meets and most of them by wide margins. Wooster, Wittenberg, Ohio Wesleyan all took two victories from the Big Red while Kenyon and Oberlin took one apiece. Wooster and Oberlin presented the strongest team the Denison squad met, neither opponent allowing the Big Red a first place. Again it can be said that Denison is looking for a more prosperous year in the 1936-37 season because of the material that should be on hand next year.

I N T R A M

SPEEDBALL

The Commons Club went through the 1935 speedball season undefeated to win the title. They were offered stiff competition by both the Sigs and the Phi Gams. The former lost its first game late in the season to the champions.

The Phi Gams, who finished in second place with the Sigs, were a continual menace to the hopes of their opponents. The rest of the teams played out their schedule in a tight race.

ARCHERY

The archery trophy went to the Club. Woodrow Tiger was a one-man team for the Club and was far superior to any other who made an endeavor in this intramural event.

The Sig Alphas finished in second place, and were closely followed by the Kappa Sigs.

CROSS COUNTRY

The Commons Club took the third plaque of the fall intramural season when they out-ran the rest of the groups to take the cross country title.

They were by far the outstanding group in this field. The Betas finished second while the Kappa Sigs took third position.

FOUL SHOOTING

Sigma Alpha Epsilon won the foul shooting with a house average of 11.55 per person out of 25 tries. The Phi Gams placed second with Lambda Chi Alpha on their heels in third place.

Cross Country

Wrestling

"B" League Basketball

"A" League Basketball

U R A L S

"A" LEAGUE BASKETBALL

The Phi Gams took the A league championship after a hard fought season which finally ended in a three way tie which necessitated a play-off. Phi Gamma Delta, Sigma Chi, and Phi Delta Delta all ended the season with the same won and lost percentage. The Sigs beat the Phi Deltas in the first game, but bowed to a strong Phi Gam team in the final play-off, 22-11.

"B" LEAGUE BASKETBALL

The Sigs took the championship of the "B" league from the Phi Deltas in another playoff. As in the preferred league it was a close contest all the way, with the Sigs, Phi Deltas, and Sig Alphas fighting it out.

WRESTLING

The Betas took the wrestling championship from last year's victors, the Beta Kappas, who had to be content with second place. The Sig Alphas won third place and the Lambda Chis took fourth. Morris (S.A.E.) won the 135 lb. class; Boye (B.K.), the 145 lb. class; Turner (B.K.), 155 lb. class; King (L.C.A.), 165 lb. class; Gordon (B.T.P.), 175 lb. class; and Gehrandt (S.A.E.), 185 lb. class.

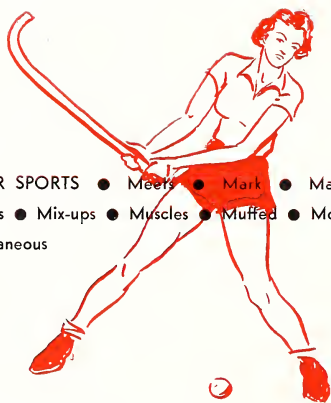

INTRAMURAL SWIMMING

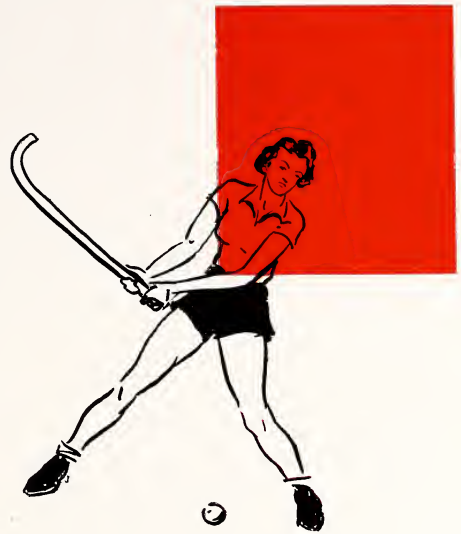

The Fijis ran away with the intramural swimming meet held in Cleveland Hall pool. Their strength was placed in Sheldon, A. Lidster, and Pettit, who collected some 27 points of the total of 35 between them. The Sig Alphas finished in a second place tie with the Commons Club. Third honors went to the Betas who were trailed by the Sigs. The medal awards went to Sheldon, A. Lidster, Adams, Franz, and J. Pettit.

W O M E N ' S A T H L E T

The purpose of this association shall be to enrich the personality through the organization of sports, dancing and recreative activities providing opportunity for the development of leadership and friendship." Thus reads the W. A. A. constitution. This aim is drawn from the heart of what we are doing today. At the same time there are in it endless possibilities for growth and expression, both of the program and of its ideals.

The most alive, the most stimulating personalities are those which are the best rounded. Realizing this, W. A. A. hopes to fill in every girl's life that place which would be incomplete without the exercise and companionship of outdoor activity. At teas and dances we develop social grace and poise; in our classrooms we learn what place we are expected to fill in society. But the most carefree, natural fun in college and in life comes from sports and the out-of-doors. Some day we may follow the pine trails of the Rockies and think with pleasure of the jolly hikes to the W. A. A. cabin in the Welsh hills. We may swim in the surf of a Florida beach and recall our lessons in the Denison pool. The responsibilities of cooking meals at the cabin, of captaining a track team for a season, or planning a banquet, develop in us qualities of leadership. And there is no exaggeration in saying that we often keep for a lifetime the friends we make on the basketball floor or in a swimming meet.

During the past year W. A. A. has aimed to stimulate an active and vital membership through the development of its program. This began by introducing the freshmen to our activities. A reception in the W. A. A. rooms, a know-your-campus treasure hunt, a splash party, and a picnic started

the year. When a new girl became a member she was included in one of the small parties held throughout the year to help the newly initiated to become acquainted.

The October hayrack ride to the cabin brought a supper around the campfire with songs and stunts later and then the moonlight ride home. The outstanding fall event was Barbara Ellen Joy's camp leadership course given the last ten days of October. Outdoor meals, experiments with wood carving, plans for nature study occupied the spare time between lectures and demonstrations.

Alladin as the theme of a popular song, became also the theme of our fall banquet. His magic lamp brought forth the geni of basketball, dancing, outing and volleyball, the winter sports.

At Christmas time a Crusade seemed to have descended for the Medieval banquet.

February and continued cold brought a sleigh ride and also a Saturday winter carnival as well as perpetual skiing and sledding parties of an informal nature. Trips to Capital University for a volleyball game and to Ohio State for the horseback riders gave a new impetus to these activities.

With its usual popularity, the dance recital packed the Opera House for its one-night stand. Here the modern trend in music matched the modern interpretation of the dance.

The April Pow-Wow stimulated all sorts of ingenious outdoor cooking and also original song writing. As a conclusion and climax came the spring banquet.

A scene at the girls hockey field as the teams are being organized under the guidance of Miss Barr of the physical education department.

Archery—

Archery is gaining as a fall and spring sport for women. Teams are chosen in the fall and there is inter-class competition. This last fall the sophomores carried off the honors as winners of the inter-class tournament.

Baseball—

The baseball season of 1935 was a real success with the championship of the inter-class games going to the seniors of that class. On May 4, W. A. A. entertained Wesleyan and Antioch. Two exciting baseball games were played, Denison against each of the guest teams. Denison won the Antioch game but lost to Wesleyan. Simple and advanced tests were given and many girls won points by passing them. The All-Shepardson team was chosen at the end of the season.

Basketball—

Basketball season has proved successful as well as interesting this season. This year a new tournament was introduced in which town and dormitory teams competed, one of the town teams winning. The inter-class honors go to the juniors who have retained their championship for three successive years. Points for W. A. A. have been earned by passing simple and advanced tests in the sport. Basketball as a sport still maintains its popularity.

Golf—

Denison is fortunate in having an excellent 18-hole golf course close at hand. Class teams are chosen in the spring and the individual high point scorer in the fall is declared the University champion. This year Mary Jane Bryan took honors for the fourth time. Comparatively reasonable rates are arranged with the golf club, making it easy for every golf enthusiast to play as often as she chooses.

Hockey—

There were over 80 enthusiastic girls out for hockey squads this past fall. The freshmen started with a big swing and kept up their momentum throughout the season, winning the school championship.

One Saturday morning we were fortunate to have Miss Jane Shurmer, an authority on hockey from Pittsburgh University, give us a lecture-demonstration at the field.

Another high spot of the season was the homecoming game in which the varsity team defeated the alumnae team.

Horseback Riding—

Riding each year has gained popularity until this spring it is represented on W. A. A. board. During the fall we had moonlight rides and an overnight ride to the cabin. We gave our annual exhibition on field day with formation riding. In the spring the sport for the first time became a team sport. We were invited to Ohio State University to the Boots and Saddle banquet at Pomerene hall this spring where we made plans to join with Ohio Wesleyan, Wittenberg, St. Mary's of the Spring, and Ohio State in a horse show at the O. S. U. campus.

Swimming—

The freshmen defeated all of the other class teams and won the meets during the fall swimming season. They excelled in speed and diving and even in the candle race. Fifty girls passed the swimming tests and earned points for W. A. A. and 16 girls earned team points. Miss Houston gave instructions for senior life saving and several girls passed the test. The examiner's test was given by the district officer of Red Cross National.

Tennis—

This past fall a tennis tournament was begun immediately after the close of the girls' rushing season. Seventeen girls were entered and a great amount of enthusiasm was shown. Constance Palmer came out victorious for the fourth time in her four years at Denison, and Grace Broughton placed second. W. A. A. also cooperated with the men's tennis department in a mixed doubles tournament, but because of poor weather this tournament was never finished.

Track—

Track in the spring of 1935 proved to be a popular sport in spite of frequent showers and a washed out cinder path. Girls from all four classes turned out making the meets more interesting. After practicing several weeks, teams were picked and dual meets run off. The juniors won two of these and the sophomores one. On Saturday, May 25, the inter-class triangular meet was won by the juniors, giving them the greatest number of points and the school championship.

Volleyball—

The juniors, besides winning first place in basketball and track also took high honors in volleyball this year. They maintained a clean slate throughout the season by winning every game they played. The other three classes tied for second place, each winning one game.

Early in the season Capital University invited us to play volleyball with them. One whole morning was spent over on the Capital campus with games in volleyball and ping-pong. The games between the colleges split evenly.

T H E D E N I S O N I A N

In its seventy-ninth year, the Denisonian, student weekly newspaper, was the center of much campus controversy and consequently probably more avidly read than any Denisonian in recent years. The paper was edited again by Dick Tappan, who, as one of the first junior editors in history, last year brought the Denisonian from seventh to fourth place in the annual Ohio college newspaper association rating of college weeklies. It is expected that this year will bring the paper still higher, for comment already received from other editors indicates approval of the Denisonian style and commendation for its attractive appearance.

An effort was made throughout the year to make the paper more attractive in appearance, thus care was taken with the make-up, a new type was introduced on the sport page, and pictures were used more abundantly. Much of the work was handled by the four associate editors who rotated in issuing the paper. The associate staff, consisting of Loren Souers, Mary Kay Short, Tom Allison, and Lucian Warren, met each week with the faculty advisor and the editor and discussed the previous issue.

In addition to the 26 regular issues of the paper, special editions were published on homecoming and sub-freshman week-ends. The homecoming edition contained a special football program and was issued before the Wittenberg game. The sub-freshman issue was given without cost to the guests of the school. The paper also published two six page issues during the year, setting a precedent for quantity as well as quality of news.

The Denisonian likewise had one of its best years financially. With Danner Hagerstrand as business manager and Robert Thorsen as advertising manager a profit was realized which in addition to paying staff salaries and contributing to the sinking fund, allowed for the purchase of a new typewriter. This profit together with anticipated increased registration has permitted a reduction of 10 cents in the Denisonian rate for next year.

Chief accomplishment of the business staff was a 35 per cent increase in advertising lineage over last year. The circulation staff headed by John Dunnick also was active, sending numerous copies to alumni and parents.

T H E 1 9 3 6 A D Y T U M

It is the hope of those concerned with the publication of this year book that it will serve you as a permanent record of the past year. The time and work that has been put into it has been of a considerable amount. May it meet your approval.

There are four new features to this book. First, we have increased the size of the page. It has given us a book that is more open and also affords a chance for better page layout. Secondly, we have added a section of campus views. The beauty of our college is therein portrayed in its greatest splendor. Third, a feature called Campus Leaders was added. We have chosen only those students which hold important offices and which are outstanding in their respective fields. Lastly, we have included a section of Beauty Queens. These Co-eds were chosen by a nationally known commercial artist, who had willingly offered his service. With these new features we hope your interest in the ADYTUM has been aroused.

The art work for this year book was done by the art department of our university. In these few lines we would like to thank James McConnell, Martha Stubblefield, Robert Brundige, and George Blechta for the work and time they have given to the ADYTUM. Also we would like to thank Mr. Horace King under whose guidance the art work has been.

Lastly, we would like to express our appreciation to the members of the staff who have given their assistance. The staff members during the year have been: Mary Catherine Short, Tom Allison, Betty Barnes, Neil Cartter, William Smith, Carolyn Adams, Richard Cullen, Phyllis Beck, Betty Shoemaker, Evelyn Murton, Ethel Hurley, Richard Pearse, Elizabeth Anderson, Peggy Pickerel, and Benton Mellinger. With their aid and assistance we have been able to accomplish the primary aim of this annual, that is to present a true and interesting record of the past academic year by means of type, engravings, and printer's ink.

Editor—Joe Carabelli

MEN'S STUDENT CHRISTIAN ASSOCIATION

Although only in its second year of existence on the Denison campus, the Men's Student Christian Association has taken up a definite place in the life of the students.

Approximately 150 men of the school are members of the group. The work of the organization is in seven divisions, each in the charge of a cabinet member. Freshman camp, in the charge of Phil Lawrence was held before school opened in the fall and introduced approximately 50 men to Denison student and faculty leaders.

Dr. Rolland W. Schloerb of the University of Chicago, who led the annual week of prayer, was generally conceded to be one of the best chapel speakers of the year. Erwin Holth, head of the chapel committee, also brought Dr. R. L. Tucker of Columbus, Dr. C. L. Seasholes of Dayton, Dr. J. H. Franklin of Philadelphia, and Dr. Frank D. Schultz of Dayton for chapels or vesper services.

Herman Rhu, in charge of social life, was responsible for entertaining various speaking guests of the M. S. C. A. and was instrumental in presenting a benefit movie this spring. Social service, led by Don Winchell, aided the local Hi-Y club and assisted Dr. Gordon on the Dillonvale relief project.

The discussions and forum groups, led by Charles Arnold, held several forum meetings during the year as well as Inter-faith day at which the views of the Catholic, Protestant, and Jewish religions were presented, explained and compared.

Deputation work with speakers and singers as well as one or two radio broadcasts, was under the charge of Nickie Titiriga. Don Western headed the church work committee which cooperated with the local churches and their young people's groups.

Delegates were sent during the year to two conferences, one at Bluffton college and one at Miami University sponsored by the Ohio Y. M. C. A. with which the local organization is associated.

Officers for the past year were Don Powell, president; Tom Allison, vice-president; Kenneth Alban, secretary; and George Blechta, treasurer. Newly elected officers this spring are Erwin Holth, president; John Larson, vice-president; Tom Allison, secretary; and Phil Lawrence, treasurer.

Front row: Sisson, Pickerel, Oxley, Chatten, Robuck, Herron, Fuller, V. Beck, P. Beck, Hull.

Second row: Dorr, Wooten, Guthridge, Knight, Erb, Post, Porter, Wolfe, Nesbitt.

Third row: Simmons, Griffith, McIntire, Geil, Jennings, Isley, Coons, Goodhue, Sheldon, Shumaker, Winchester.

Top row: Riebel, Kiehm, Bruckert, Uebel, Folger, Latta, Ralph.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION

Y. W. C. A. through its national creed proposes "to realize a full and creative life through a growing knowledge of God." In the activities which it promotes throughout the year at Denison, Y. W. is constantly striving towards this goal, offering to all girls opportunities of play, leadership, and growth. The aim of Y. W. is service, and most of its activities are open either to all the women or to the entire student body.

Part of the year round program includes the sponsoring of vesper services in collaboration with M. S. C. A. On the third Monday of every month Y. W. has charge of the chapel program. Another project is the news review given each Tuesday in women's chapel. Association meetings are held once a month. For some years Y. W. has taken an active interest in the destitute mining communities around Dillonvale, Ohio, and has given these people food, clothes, and Christmas gifts.

This fall in connection with W. S. G. A. and W. A. A., the association conducted freshman camp for new students. After the opening of school, Y. W. held a garden tea and an all-freshman dance. The membership drive in October brought the largest returns in the history of Y. W. at Denison.

The worship committee brought the representatives of three religions here for the Inter-faith day chapel program in December. Christmas week saw "The Nativity," one of the loveliest pageants which Y. W. has ever had the pleasure to present.

During the second semester were presented under "Y" sponsorship Heart Sister week and the Valentine's day banquet. Y. W. C. A. worked with M. S. C. A. to bring Dr. R. W. Schloerb of Chicago to the campus for the annual week of prayer. Every spring Y. W. gives a Mother-Daughter banquet for all the girls and their mothers.

From time to time such projects as the Japanese bazaar in December were promoted in order to raise money to send delegates to the conference camp at Geneva, Wisconsin.

This is the third year that Y. W. has organized freshman Y. Its members elect their own officers and conduct their own meetings, held regularly at Shepardson hall.

*Top row: Beardshear, Levering,
Boutwell, Oxley, Philipps.*

Front row: Skriletz, Crocker, Souers.

M E N ' S D E B A T E

Subjects for varsity debate are always of current interest. This year the question was: "Resolved, that the supreme court should be deprived of its right to pass upon the constitutionality of the acts of congress." It is the belief of Dr. Crocker that the benefit to the students rather than a successful decision is the important thing and for this reason Denison has had only one judged debate. This year one of the strongest points of the cultured Greek society was its eloquent orators and it is to the development of trained speakers that debate is sponsored at Denison.

The two varsity teams were: affirmative—Gail Oxley, King Boutwell, and William Noble; and negative—Loren Souers, Jim Wooten, and Al Beardshear. Others who participated were Jesse Skriletz, Robert Brundige, Samuel Philipps, Robert Levering, Warren Sivertsen, and George Blechta.

This year's schedule extending from November to March included debates with Capital University, Ohio Wesleyan, University of Cincinnati, Kenyon, Xavier College, Hillsdale, Kalamazoo, Michigan; Melbourne, Australia; and a broadcast of two Denison teams over station WAIU. The freshman men's debate team, which trains future varsity men, was coached this year by Samuel Philipps. The question dealt with the merits and demerits of state medicine. The freshman squad had dual intercollegiate meets with Kenyon, Wesleyan, and Wittenberg. The teams were: affirmative—Sherman, Ault, and Cosway; and negative—Gordon, Dixon, and Keenan. Participating as alternates were Bowman and Wright.

Top row: Dorr, Chatten, Erb, Morris.

Front row: Halsey, Oxley, Taber, Stouffer, Hird.

W O M E N ' S D E B A T E

The varsity debate schedule for the 1935-36 season included dual meets with the University of Cincinnati, Wooster, Franklin college, Albion college, and Ohio Wesleyan, and single meets with the University of Pittsburgh, Pennsylvania college for women, and Ohio State University. These debates included both the men's question on the supreme court and also: Resolved, that the United States should support the League of Nations in the enforcement of sanctions as provided for the Covenant of the League. Members of the team were Frances Erb, Janet Chatten, Alice Janet Stouffer, Miriam Dorr, Katherine Oxley, Marjory Hird, Miriam Morris, Betty Halsey, and Phyllis Taber. These women also represented Denison at Heidelberg college, Tiffin, Ohio, on January 17 and 18 in a debate tournament for women in Ohio and nearby colleges on the supreme court question. The four teams from Denison won seven out of 16 debates.

Not only did the varsity team have a heavy schedule this year, but the freshman women, under the direction of Miriam Morris, debated Ohio Wesleyan and Wittenberg colleges and also matched their wits with our freshman men. Their question was: Resolved, that free medical aid should be given to all who desire it in the state of Ohio. Members of the freshman team were Jean Yoder, Frances Deibel, Carolyn Griffith, Eleanor Hildreth, Elizabeth Way, Margaret Shumaker, and Emma Latta.

The third annual inter-sorority debate tournament was held in February and March on the current campus question: Resolved, that the present requirements for graduation at Denison are unsatisfactory. The final meet was held in Recital hall with Dean Olney presiding and awarding the silver loving cup to Jean Yoder, Ruth Geil, and Jean Cockerill, the Alpha Omicron Pi team.

Front row—Pugsley, Lanning, Beam, Knight, Corbin, Matteson, Sheppard, Wood, Isley.

Second row—Jennings, Guthridge, Peoples, Plum, Freeman, Talbott, Dickerson, Geil, Wolfe, Gray, Brizell.

Top row—Haight, Simmons, Vanderbilt, Long, Randolph, Robuck, Eschman, Spring, Irwin, Mather.

W O M E N ' S G L E E C L U B

During the past year the women's glee club has been under the direction of Margaret Corbin, new instructor in voice at the conservatory. Charlotte Talbott was student leader, arranger, and piano soloist. Officers were Miriam Dickerson, manager; Christine Matteson, secretary-treasurer; and Ruth Knight, librarian. Katherine Wolfe was accompanist.

This year the club has enjoyed a wider range of activity than in recent years. The girls sang at two local church services, at vespers and chapel services, at a faculty dinner, gave a full concert at a Newark church, a home concert, a joint concert with the men's club, and took what was intended to be an extensive concert tour eastward. The itinerary included Cleveland, Ashtabula, Erie, Rochester, Buffalo, Oil City, and Pittsburgh. The trip, however, turned out to be probably a unique one in the history of the school. The club encountered deep snows around Buffalo that slowed its schedule considerably, and was finally forced to turn homeward because of floods in Pennsylvania that prevented it keeping its Oil City and Pittsburgh engagements. The one broadcast it was able to make on time was at WTAM in Cleveland. In the cities the club did reach, its work was enthusiastically received.

Vocal soloists of the year were Jessie Mae Vanderbilt, soprano of Chicago, and Theresa Irwin, contralto of Alexandria, Ohio. A new feature of the club was the octet composed of Jessie Mae Vanderbilt, Joan Guthridge, Harriet Beam, Mary Lou Pugsley, Elizabeth Plum, Theresa Irwin, Elinor Eschman, and Ruth Haight. This group made a name in its own right by performing independently on several occasions. The home concert was also varied by the introduction of a novel stunt given during the intermission.

The club boasts among its membership 11 of the 18 members of the local chapter of Delta Omicron, national honorary musical sorority.

The following club members will be lost through graduation in June: Charlotte Talbott, Lois Peoples, Miriam Dickerson, Martha Robuck, Christine Matteson, and Frances Wingert.

*Fourth row—Oliver, Walker, Wood,
Pearse, Warner.*

*Top row—Robeson, Arnold, Bay-
shore, Crites, Cavagrotto, Rader.*

M E N ' S G L E E C L U B

Although the Glee club only tied for second place, with Capital University, in the Ohio Intercollegiate Glee club contest held at Bluffton College this year, it is one of the finest ensembles to represent the school in the past few years.

Due to flood conditions and general hard luck, the annual spring trip, which was to have been made to the south had to be foregone. A trip, however, was made between semesters to Canton, Cleveland and Norwalk, at which time two broadcasts were made. Later in the year concerts were sung in Dresden and Alexandria. A short while ago the club traveled to Cincinnati, where it sang in two high schools, made two broadcasts, as well as appearing in a regulation concert. At its annual home concert the club was very enthusiastically received, special acclaim being given to Jessie Mae Vanderbilt, who appeared as guest soloist in the "Italian Street Song" from Naughty Marietta.

Wherever the club sang this year its singing was complimented, and with the loss of only a few seniors should be equally as good next year. With the nature of the programs of the club continuing towards a more popular variety, the appeal of concerts by the club to its audiences will be greatly increased.

On June 6 the club will appear in a half-hour broadcast over station WBNS, Columbus, as part of a series of 11 such broadcasts by college glee clubs in Ohio. This program is sponsored by the Ohio National bank, and is to be given in the form of a contest, with sizable prizes being given to the three clubs receiving the highest scores. The radio audience is being asked to participate in the scoring of the clubs by submitting their vote, as to the best club. This type of series is an innovation and is meeting with much popular approval.

Conductor—Karl Eschman.
 Concertmaster—Sam Gelfer.
 Student Conductors—Reid Anderson
 and Harold Meek.

O R C H E S T R A

In addition to accompanying "The Messiah" and "The Bartered Bride" opera, the orchestra has given two symphony concerts this year. The highlights of these programs were: Beethoven's "Fifth Symphony," and Schubert's "Unfinished Symphony."

A novel experiment was the performance of the orchestra in two chapel services.

With the able leadership of Karl Eschman, conductor; Sam Gelfer, concertmaster; Harold Meek and Reid Anderson, student conductors, the orchestra has completed a successful season.

The personnel of the orchestra is as follows:

Sam Gelfer, Concertmaster

| | | |
|---------------------|---------------------|---------------------|

*Faculty Director—Sam Gelfer.
Student Conductor—Franklin Wood.
Drum Major—Reid Anderson.
Manager—Robert Goodridge.*

D E N I S O N B A N D

The Big Red band had one of the most successful seasons in the history of the organization. Much of the credit is due to the combined efforts of Sam Gelfer, faculty director; Reid Anderson, drum major; Franklin Wood, student director; and Robert Goodridge, manager.

Through the generosity of a friend it was possible for the band to purchase new uniforms to replace those which had been in use for a decade or more. A large decorated bass drum, and a new pair of cymbals were added to the equipment.

After feverish preparation in the two weeks of classes which preceded the opening football game, the Big Red band made its first appearance at the Kenyon game. Although the band did not march at the first game, it put out some very creditable formations in the following games such as: letters inside of a football and floating D's, T's, and W's.

The biggest undertaking of the year came when the band, 42 strong, journeyed to Cleveland to perform at the Western Reserve game. Although the strong Reserve team overpowered the Big Red gridders, the band remained undaunted and succeeded in making a big hit with the spectators between halves of the game.

The band also lent its services to all of the pep meetings and torch light parades before games as well as playing in the middle of a heavy rainstorm for the Granville high homecoming game.

After football season the band continued its rehearsals under the direction of Mr. Gelfer and Franklin Wood. Several appearances were made at home basketball games.

At the present an outdoor concert is being planned for the second week-end in May.

A Cappella Choir

Front row—Bowyer, Deeds, Lozier, Fischer, Rope, Yoder, Hepler, Hecker, Deibel, Ralph, Althey, Golden, Bruckert, Webb.

2nd row—Uebel, Nelson, Ward, Crittenden, Sloan, Anderson, Pulse, Murton, Lind, Latta, Mitchel, Wood, Ainslie, Wilkins, J. Smith, Zimmerman, Boylan.

3rd row—Campbell, Baxter, Osmond, Hix, Lawrence, Fergus, Covell, Sparks, Wathne, Calland, Fly, Kennedy, Walthour, Drake, Bedell, Mullen.

4th row—Dyer, Whitehead, Potter, Ault, Darrow, Wilson, Corson, Christman, Barr, Bromley, Myers, Harman, Bellavia, G. Smith, Dupont, Drennen, Wollson.

Top row—Ewing, Moore, Morris, Jones, Shoop, Crockett, Jacobi, Stewart, Seikman, Dewey, Bates, Ketner, Raymond, Jesson, Mellinger, Elliot, Dunnick, Paige.

Chapel Choir

Front row—Jennings, Pugsley, Lanning, Beam, Landrum, Stickney.

2nd row—Hopkins, Vanderbilt, Guthridge, Long, Eschman, Corbin, Irwin, Dickerson, Plum, Geil.

Top row—Le Masters, Arnold, Oliver, Vorhis, Bashorr, Hopkins, Larson, Scipione, Doughty, Willett.

A C A P P E L L A C H O I R

A Cappella choir, with the exception of the festival chorus, is the largest musical group on the campus. This group is under the direction of Mr. Karl Eschman, assisted by Miss Fannie Farrar. It meets every Tuesday and Thursday morning during chapel period in Recital hall.

A Cappella choir is unique in being open to all who are interested in music with no preliminary voice-testing. This choir is a means of training voices for other organizations and for inspiring a greater interest in singing. A Cappella joins with the festival chorus in presenting Handel's "Messiah" each Christmas, and also combines with the larger group in the annual spring concert.

C H A P E L C H O I R

The chapel choir, made up of mixed voices from the men's and women's glee clubs, is directed by Miss Margaret Corbin, instructor of voice and leader of the women's glee club.

The group practices on the three days a week when there is no service held in the chapel, and credit towards graduation is given to its members.

Special programs are given two or three times during the year. The Wednesday preceding Christmas vacation the group took part in the pageant, "Nativity," sponsored by Y. W. C. A. This group is also to be commended on the fine service it conducted before vacation. Beautiful old Christmas carols were sung following a short descriptive history of each.

Front row—Rice, Ault, Punnett, Griffin.

Second row—Priest, Wyatt, Mally, Dagger, Di Domenica, Sparks, Yoder.

Third row—Smith, Kato, Bellavia, Titiriga, Detweiler, Giedinghagen.

Front row—Hurley, Orcutt, Barnes, Colwell, McNeil, Nesbit, Baxter, Fess, George.

Second row—Thomas, Shepard, Dell, Stoffer, Claypool, Chatten, Erb, Ward.

Top row—Smith, King, Shumaker, Mahood, McNair, Collyer, Pearse, Arnold, Scipione, Le Masters, Cook.

C O S M O P O L I T A N C L U B

The Cosmopolitan club, though a comparatively new organization at Denison, has made rapid progress this year. Beginning with the initiation of 16 new members at the first of the year, the holding of the regular monthly meetings at the homes of the various professors, the programs worked to a climax in the state Cosmopolitan club convention which the Denison chapter was proud to entertain for the week-end of April 24-26.

With the helpful leadership of La Marr Rice as president of the state convention, Ruth Punnett as state secretary, and the cooperation of all the members, a genuinely beneficial convention was planned.

F R A N C O - C A L L I O P E A N

The Franco-Calliopean literary society, the oldest organization at Denison, this year celebrated its one-hundredth anniversary. It is worthy to note that no similar society in England is so old.

The present society is the outgrowth of the old Calliopean and Franklin societies. The rolls of these organizations bear such names as Webster, Longfellow, Irving, Cooper, Beecher, Clay and others. Recently the society has welcomed Frost, Douglas, and Hatcher into membership.

This year, Dr. Shaw and J. Middleton Murry became members. The outstanding event of the year was the centennial celebration at which Dr. Edgar J. Goodspeed addressed the student body.

Front row—Wiley, Hix, Baldwin, Radke, Jones, Peat, Wood, Hird.

Top row—Mellinger, Faelchle, Meistrup, Morgan.

Front row—Ladner, Wiley, Rupp, Kato, Broughton, Hull, Harris, Shelton, Spybey.

Top row—Anderson, Rupp, Burriss, Klepfer, Lawrence, Miltendorf, Cada, Wells.

S P A N I S H C L U B

El Circulo Castellano has had a successful year. The topics of discussion have had as their main theme those affairs which vitally concern Spain and Spanish-speaking countries. Spanish club has tried to bring to those students interested in the language something tangible in the way of knowledge about Hispanic customs.

The lantern slides depicting various parts of Spain, shown by Mr. Wiley, proved to be one of the most interesting meetings. The talk on Bolivia by Burt Hodges, who lived there and taught in a school in La Paz, brought to the club a vivid picture of life in this South American country.

M A T H E M A T I C S C L U B

The Mathematics club, one of the oldest departmentals on the campus, was founded in 1910 by Dr. Wiley, who has been one of its advisors ever since.

Under the direction of Edson Rupp, the president, the club has had many interesting meetings. In accordance with its purpose, to bring the student a knowledge of those topics which are seldom brought up in the classroom, programs were presented which served to acquaint the members with many aspects of mathematical study.

This exchange of ideas and information makes the group an important and valuable departmental organization on the campus.

Front row — Everhart, Walker, Ebaugh.

Second row—Goodridge, Kent, Erler, Stewart, Chase.

Third row—Snyder, Hamlin, Bottomley, Gross, Morrissett.

Fourth row—Gregg, White, Larson, Brauning, Rieger.

Top row—Warner, Foster, Bigelow.

Top row—Castel, Wells, Boehnke, Ford, Anast, Herron, Anderson, Lippard, Logerquist, Frost.

C H E M I S T R Y S O C I E T Y

The Denison Chemistry Society, with a membership of twenty-four students, holds its meetings twice monthly on each alternate Tuesday evening at the Chemistry Cottage. Meetings are conducted by Fred Walker, president of the group, and are under the direct supervision of Dr. Ebaugh and Dr. Everhart of the chemistry department.

Once each year the combined chemistry societies of Ohio State, Wesleyan, and Denison Universities meet to discuss mutual problems, aims, or accomplishments, and some form of entertainment is given by each club. The Denison club has as its principal motive the advancement of the chemical interests of all those students who excel or enjoy the fields offered by this department.

Officers of the club this year were: Fred Walker, president; Erven White, vice-president; and Sally Gross, secretary-treasurer.

E N G I N E E R I N G S O C I E T Y

The purpose of the group is to conduct a more intensive study into different phases of modern engineering and physics, not covered in the classroom. Although Denison is not primarily an engineering school, this club, headed by Professors Smith and Greenshields, has succeeded in making a place for itself among the campus groups.

The past year's program has included many notable speakers who have achieved success in their various lines. Among them were B. H. Frasch, division engineer of state highway department; R. Z. Moore, engineer of state highway department; E. G. Fournace, engineer of Ohio Power company; and C. T. Kaiser, city chemist of Newark.

*Front row: Fitch, Marr, Houser,
Woellhaf, Warner, Cook, Wingert.*

*Second row: Philipps, Hagerstrand,
Collyer, Deam, Clissold.*

M A S Q U E R S ,

The 1933-34 Masquers season closed with the presentation of the commencement play "The Late Christopher Bean," by Sidney Howard. The cast, pictured upper left in one of the scenes of the play, included Robert Marvin, Sally Marr, Richard Coelho, William Deam, Sally Frame, Marion Sweet, Richard Levering, Edward Thiele, and Dorothy Smith. Horace King, director of art, for the first time designed the sets.

The current season opened with the one-act play, "Riders to the Sea" by Synge, a story of life on the Ireland coast. Its presentation was preceded by the 1934 prize movie, "Man of Aran," which deals with the same territory. Upper right is the cast in character.

The second production, "Hell Bent for Heaven" by Hatcher Hughes, a play of the emotions of southern mountain folk, brought merited praise for the cast and especially for William Deam in his portrayal of Rufe. The cast is at the lower left.

"Dover Road" by Milne (lower right), perhaps the most talked of of the year's productions, starred Richard Woellhaf, director of dramatics, in his first varsity performance in many years. The play

D R A M A S

was so successful here that it was taken to Cleveland and Toledo under the sponsorship of Denison alumni there.

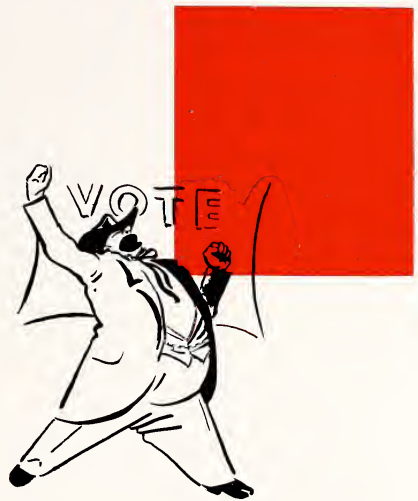

Masquers sponsored the freshman play, "Snowball," which was presented on Mother's Day week-end, to bring out talent which will be used in future varsity productions. "The Showoff," a comedy, was given as the commencement play after an ultimatum from the administration forbade presentation of "Outward Bound."

In the spring initiation and banquet, 14 were admitted to membership, and under the newly revised points system Masquers membership will be open to more students in the future.

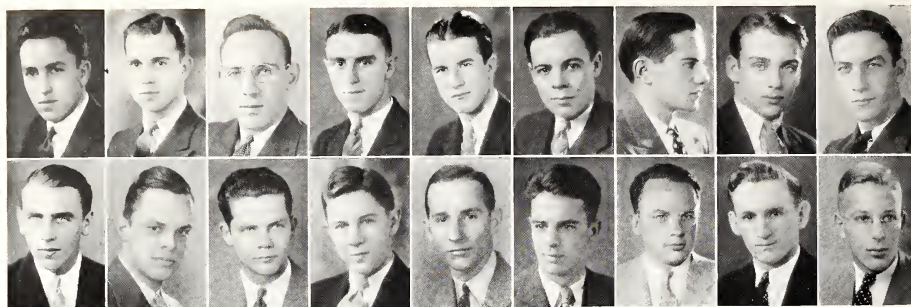

Two Seniors, Sarah Marr and Frederick Warner, who have worked in Masquers productions for the past four years, deserve special commendation. Victoria in "The Double Door" and Stanhope in "Journey's End" will always be remembered on the Denison stage as performances of professional calibre.

G O V E R N M E N T

Top Row—Jacobi, Snyder, Powell, Cole, Tappan, Gernharat, Neuschel, Larimer, Sweeder.
First Row—Stewart, Thorsen, McBride, Parge, McCusky, Willett, Root, Alban, Western.

THE primary concern of the Interfraternity Council this year has been to clarify, as much as possible, the ideals, obligations and privileges of fraternities and to simplify the choice of incoming freshmen during the hectic rush week.

With their own freshman experiences in mind, the council has edited and published an explanatory sheet to be sent to each new student when he is notified of his acceptance for admission to the university. This information is to contain data of general interest concerning groups, plus an estimate of expenses involved in fraternity membership so that both newcomers and their parents may understand fraternities somewhat better, a subject ordinarily of little acquaintance to the average parent and sub-freshman. This information is to be available for the first time in an organized form to the class of 1940.

INTER-FRATERNITY COUNCIL

The annual fraternity banquet scheduled to feature Dr. Henry W. McLean, grand tribune of Sigma Chi, as guest speaker and Denison's own Dr. Francis W. Shepardson, national president of Beta Theta Pi, as toastmaster, was called off when conflicting dates made it impossible for Dr. McLean to speak.

Denison group singing was stimulated by this organization in its sponsorship of interfraternity serenades as entertainment for women's conventions, sub-freshman day and mothers' day.

The council, representing almost the entire men's student body, continues to be a force in the promotion and performance of Denison ideals and progress.

Officers during the year were Alan Larimer, president; Dick Neuschel, vice-president; Bill Snyder, secretary; and Frank Jacobi, treasurer.

Top Row—Bird, Shepard, Walthour, Darrow, Chappelle, Cook, Punnett.
First Row—Gray, Hunt, Pickrel, Barnes, Walker, Dorr, Mally.

THE Panhellenic association at Denison University has been a gradual outgrowth from the former Inter-sorority Council, the group which guided the destinies of the local sorority groups here at Denison for many years. It was not until the fall of 1933 that the name was changed from Inter-sorority Council to that of the Panhellenic association, although by that time the majority of the campus social groups of the coeds were national Greek letter bands, as now indeed all of them are. Under the guidance of Dean Olney, who is faculty advisor, the Panhellenic delegates and president have found their most important work in caring for the rushing rules, management and organization, for each new season. To sponsor a women's Panhellenic banquet had long been the dream of this

group and was at last realized this year and was so successful that everyone hopes it may be repeated as a tradition each year. Inter-group feeling among the women's sororities on campus has been indeed definitely strengthened by the Panhellenic association into a fine unity of friendship; a broadening and cooperative enterprise.

To promote a friendly spirit is a most important goal for our Denison Panhellenic, and one which could well guide the activities of the group throughout the years. It is hoped that a revision of the local Panhellenic constitution, bringing up to date all the by-laws and stipulations made by the administration, will aid in a clearer understanding of the Association's work to all concerned.

WOMEN'S PAN HELLENIC COUNCIL

Top Row—Gregory, E. Smith, Baird, Carle, Marlow, Gray, Portmann, Sisson, Eschman.
First Row—Walton, Taber, Orcutt, Cook, Fuller, Palmer, Wathne, Besemer, Marquardt.

EVERY woman student at Denison is a member of W. S. G. A., organized in 1901 to foster self-government of the students. The machinery of the organization is divided into three departments.

The student council, or executive body, prepares and proposes necessary regulations, promotes social interests of the women, and regulates student activity. The board of house presidents has the responsibility for the enforcement of dormitory rules, and sponsors the dormitory teas and dances. The judiciary department, organized in 1928, is a board of judges to investigate and pass judgments upon offenses against regulations.

The central filing system, an outgrowth of Student Council, was organized last spring to keep accurate records of the extra-curricular activities of each woman. It is hoped through this file to enforce the point system, spread responsibility among students, and aid chairmen in selecting committees.

WOMEN'S STUDENT GOVERNMENT

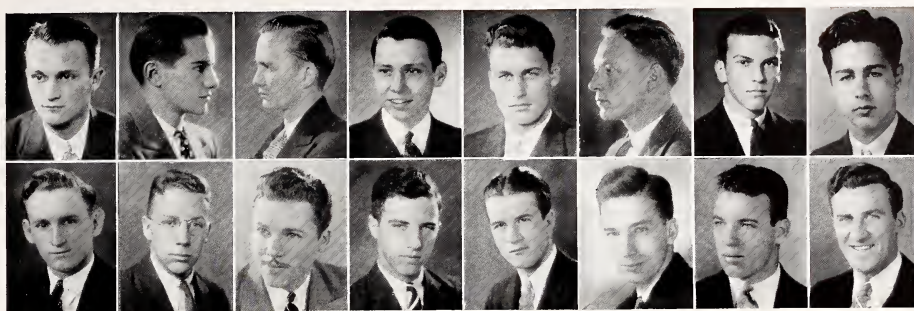

The tradition of May Queen, sponsored by W. S. G. A., was again upheld by the lovely old English May Day, held on the South Plaza in honor of senior women and Denison mothers.

The annual General Jam, the Christmas sing, the Big Sister organization for freshmen, the All-Shepardson dance, and the weekly Tuesday chapel programs, fell by custom under the charge of the Student Council. The freshman inter-sorority debates, started last year, were successfully continued.

In the spring of last year many of the old rules and regulations were revised in order to be published in a new handbook, distributed in the fall.

The Freshman Girls' Camp, held the week-end before school in September, was a successful innovation sponsored by the council in cooperation with other women's organizations.

The biggest event of the whole year, of course, was the Inter-collegiate Association of Women students' convention held from April 15 to 18. Girls from 48 schools were present.

Top Row—Bordner, Neuschall, Brundige, Rhu, Cudmore, Davis, Cullen, Condit.
First Row—Alban, Chissold, Levering, Souers, Tappan, Hagerstrand, Foster, Franz.

THE Men's Student Government Association is an active organization on Denison's campus whose members are elected each year by the men's student body to represent them in the problems concerning their interest in the school. It has strived continually to bring about a closer relationship between the men students and the college.

Broader powers in student affairs have been its aim for many years. If compared with other universities, we would be unable to boast of obtaining this wide control of men's affairs.

The program each Thursday in the men's assembly is prepared and directed by the MSGA. Local and outside speakers are obtained for these meetings. Denison professors speak often and student organizations take full charge on many occasions.

MSGA has control over music, debate, publications, and athletics by means of boards elected by the student body. Class nominations and elections are directed and controlled by it. Worthy projects on the campus are always indorsed most heartily by the group.

This year it gave its endorsement and full support to the Mock Republican convention of which State Attorney-General Bricker was the keynoter. Grants of money have been given to organizations to help finance their projects. Freshman-sophomore scrap day was successfully sponsored by MSGA.

Each year Denison is represented at the National Student Federation Congress. This past year two representatives attended the convention, which was held at Kansas City. There were 167 delegates registered and 104 colleges represented. It is hoped that Denison may play host to this group in the future.

S I G M A C H I

Mu chapter of Sigma Chi finished the term last year with one of the greatest records of achievement in our sixty-seven year history. Four track men, including the captain, a varsity track manager and a trainer, four baseball players, one of them the captain, one member of the tennis team, and one golfer were Mu's contribution to varsity athletics during the spring term. Our softball team won the intramural championship, and Sigma Chi was a close runner-up for the all-year intramural trophy. Returning to Granville this fall, we pledged twelve outstanding new men, all of whom have been initiated.

Sigma Chi placed eight men, five of them letter-men, on the football squad. One of these was chosen all-conference center and was selected to captain the team next year. Four Sigs wore the colors of the Big Red on this year's basketball team, and all received sweater-awards. We placed two men on the freshman football and three on the freshman basketball squads. Five track men, one golfer, and six baseball players are Sigs. A Sig is co-captain of the baseball team. The "D" Association draws eleven members, including its president and treasurer, from Sigma Chi. In intramurals, the wearers of the blue and gold have taken second place in speedball and "A"-league basketball and have won the championship of the basketball "B"-league.

Mu boasts the presidents of the senior and sophomore classes and the treasurer of the freshman class. The president of the Chemistry Society, two members, including the treasurer of Omicron Delta Kappa, the student head of N. Y. A., and the treasurer of Blue Key are Sigs. This year's vice-president and treasurer of M. S. C. A., and next year's secretary and chairman of freshman camp are from our group. In other campus organizations we have three members of Phi Mu Alpha, one member of Pi Delta Epsilon, two members of the Glee Club, orchestra, and band, three members of the Phi Society, and one member of Tau Kappa Alpha. Three Sigs, one the editor for next year, are on the Denisonian staff, while the Adytum staff has four Sigs. Three men on the debating squad and two men in M. S. G. A., one of whom is secretary of that body, complete our list of activities.

Socially this year has been very successful. Our Fall and Winter parties reached new heights in fraternity entertainment, and the growing popularity of our weekly parties is ample evidence of their success.

B E T A T H E T A P I

Throughout the college year Alpha Eta has endeavored to maintain its position on the campus in leadership, activities, and athletics. The efforts of the chapter have not been entirely futile in this respect.

In student affairs Edward Bordner served as president of Men's Student Government, and Stanton Condit was elected president of the freshman class. William Snyder acted as secretary of the Pan-Hellenic council, James McConnell served as president of Pi Delta Epsilon and vice-president of Omicron Delta Kappa, and Walter Clissold was elected to Board of Control of Music.

One-third of the chapter played varsity football last fall, and seven men made their letters. Edson Rupp won his blanket award, Edward and William Meier received their second awards, Jack Shoop and Charles Vincent won their first letters, and John Nesbit served as co-manager.

Lee Hundley, Edward Bordner, Fred Warner, and Robert Thorsen were on the track team last spring; William Snyder was co-manager of the team. Fourteen members have earned their varsity awards. Carl Sitterle and Roy Linson played on Livingston's basketball team this winter. Dick Kinnee and Eli Craig were appointed managers of track and football respectively.

Alpha Eta's position in intramural athletics has been undisputed for three years, the chapter having won the intramural trophy for three consecutive years and now having permanent possession. As the Adytum goes to press the chapter is fighting it out for first place in this year's race.

In activities the chapter has been active. Five brothers belong to Omicron Delta Kappa; Fred Warner, Walter Clissold, Edward Bordner, James McConnell, and Robert Thorsen. In publications Thorsen has been outstanding, serving as Business Manager of the Adytum and Advertising Manager of the Denisonian. He also acted as General Chairman of the Junior Prom, and belongs together with John Reely, George Ashbrook and James McConnell to Pi Delta Epsilon.

Walter Clissold is prominent in music circles, serving as manager of the Glee Club, president of Phi Mu Alpha, and member of the Board of Control of Music. Fred Warner, George Baker and Reid Anderson also belong to the organization.

Fred Warner is president of Masquers and has appeared in almost every major production of the group.

PHI GAMMA DELTA

Both as a chapter and as individuals the Fijis attained a highly successful record for the year 1935-1936.

This year the members look back with pride upon such occasions as the Norris Pig dinner at Homecoming, Dads' Day weekend, a Christmas dinner for 50 Granville children, a townmen's reception, Mothers' Day week-end, and four formal parties.

The chapter's intramural record for the year included championship Class A basketball and swimming teams.

Athletically speaking Fijis Erwin Evans, John Raymond, Frank Johnson, Don Powell, and Tom Cudmore started the ball rolling in the fall by their work in varsity football. Later Carl Christman acted as captain of the varsity basketball team; John Pettit was on the varsity swimming team; Ralph Siekman pitched varsity baseball; Evans, Christman, Frank Johnson, and Gifford Moore were track men; and Bennett Austin and Wayne Ketner played varsity tennis.

Among numerous activities and honors achieved by Denison Fijis: Don Powell served as president of Men's Student Christian Association; Tom Cudmore, president of the junior class, has been elected vice-president of Men's Student Government and president of the senior class; Edward Thiele, Robert Van Wagoner, Leonard Welles, and William Smith were elected to Masquers; Joe Carabelli served as editor of the Adytum and under him were Richard Pearse, William Smith, and Gifford Moore, with Van Wagoner on the business staff of both the Adytum and Denisonian; Moore has been appointed circulation manager of the Denisonian, and Cudmore served as sports editor; Powell and Lucian Warren were members of Omicron Delta Kappa; Powell, Warren, Cudmore, and Van Wagoner in Blue Key; Carabelli, Cudmore, and Warren in Pi Delta Epsilon; Clinton Adair, Hamilton Webster, Frank Shanaberg, John Jones, Pearse, William Smith, Bruce McNair, Leonard Welles, Moore, Frank Johnson, James Elliott, Warren, and Neil Arnold in Franco-Calliopean society; Webster, Adair, Shanaberg served as managers of cross country, baseball and track respectively.

Scholastically speaking, Lucian Warren was elected to Phi Beta Kappa, and Robert Van Wagoner, Leonard Welles, Richard Pearse, and William Smith were initiated into Phi Society.

Much of the credit for the chapter's success during the past year must be given to the president, Don Powell, ably supported by William Geffine, treasurer; James Truesdall, recording secretary; Harman Darrow, corresponding secretary; and Thomas Cudmore, historian. Phi Gamma Delta looks for another successful year under the leadership of John Pettit, president; Leland McBride, treasurer; Bruce McNair, recording secretary; Joe Carabelli, corresponding secretary; and William Smith, historian.

K A P P A S I G M A

Kappa Sigma commenced the year by pledging a strong class of sixteen men, which has produced three straight "A" students, a member of the freshman Football team, a glee club singer, three members of the Adytum and Denisonian staffs, and several players in the band.

This year we have raised our scholarship standing from seventh to fourth place. We can also boast of five straight "A" men, and three elections to Phi Beta Kappa, Bob Taylor and Ken Maxwell last spring, and John Bigelow this semester.

We were well represented in varsity athletics last spring, with Gil Cole, this year's captain, and Ted Johnson receiving "D's" in baseball, and Stan Daniels a consistent player. In track, Bob and Bill Taylor were Livy's distance men. Bob earned his letter and, at the district meet, bettered the Denison record for the two mile run. Wooten was captain and mainstay of the tennis team. In intramurals, we took the tennis cup, and were runner-up in volleyball and baseball.

Our athletic record this year has not been equal to our usual standard, though not inconsiderable. Erwin Holth was a regular on the football team throughout the season, and promises much for next fall. He was strong on defense and placed the ball between the bars for most of Denison's extra points. Bill Taylor ran varsity cross-country for the second year this fall, and Clyde Greer played freshman football. In intramural competition we have failed to add to what is now one of the largest collections of trophies on the campus.

John Bigelow has been our outstanding man in campus musical activities. He is a member of Phi Mu Alpha and the Glee club and has taken leading roles in student musical productions; recently taking the male lead in Smetana's opera, "The Bartered Bride." Other members of the Glee club are Jay Houser, Ernest Spring, and Don Everhart. The chapter also claims six members of the Denison band.

Erwin Holth is the newly elected president of the Men's Student Christian Association, and this year served as treasurer of the Junior class and chairman of the Chapel committee. Phil Smith will succeed him in the latter position. Charles Arnold is treasurer of the Senior class.

Chapter officers for the past year have been: Gil Cole, president; Barney Fitzgerald, vice-president; Charles Arnold, second vice-president; John Bigelow, treasurer; and Bill Taylor, secretary.

PHI DELTA THETA

Starting out with the pledging of 19 freshmen, Ohio Iota of Phi Delta Theta opened a very successful year. Among these pledges were Jack Tamblyn, Jack Cleff, Roland Miller, Russell Mulcahy, and Karl Faelchle who made their numerals in football. Jack Tamblyn and Roland Miller also made numerals in basketball.

In publications, Richard Tappan was editor of the Denisonian for his second year, and Loren Souers was an associate editor, and John Dunnick was circulation manager, while George Dwellley, Sam Bowman, Dean Beier, Marvin Walker, Jack Kull, Bud Miller, and Gordon Nyquist were also members of the staff. Richard Tappan was on the Board of Control of Publications, and is a member of Pi Delta Epsilon, along with Loren Souers and Richard Davis.

Richard Tappan was president of the chapter for the first semester, and is also a member of Omicron Delta Kappa and Blue Key. Jack Hoffhine was chapter president during the second semester.

William Deam had the leading role in the first Masquers production of the year, "Hell Bent For Heaven," and was technical director of "The Dover Road" in which George Dwellley took one of the leading parts. Both are members of Masquers. John Dunnick acted as box office manager for the organization, and Don Winchell was electrician for all Masquers productions.

In athletics we had four letter men, James McCuskey, Joe Austin, George Eggert, and Richard Davis. The first three of these are members of the "D" association, and Davis will be initiated next fall. Austin and McCuskey received their letters in track, while Eggert won his award in baseball. Jim Biggar also played on the golf team last spring. Don Cumming won the university tennis championship in the tournament last fall, and will be playing varsity tennis this spring. Jim McCuskey was elected president of the men's student body for the coming year. Loren Souers is the newly elected president of Tau Kappa Alpha, is a member of Omicron Delta Kappa, and is on the debate team. Davis is a member of Blue Key and was junior class representative to Men's Student Government. Arthur Kent and Marvin Walker were members of the men's glee club. Kent was publicity manager for the club and took a lead role in the Phi Mu Alpha opera, "The Bartered Bride."

L A M B D A C H I A L P H A

Gamma-Iota Zeta of Lambda Chi Alpha has enjoyed an extremely successful and progressive year. When rushing was over, 14 men were wearing the pledge button. This year has been marked by an increase in interest of alumni members. A frequent return of the "old grads" has been evidence of this fact.

Activities have been well distributed among the members. In athletics Hubert Foster was outstanding. As captain of the Big Red football squad his fine performances won him a place on the mythical All-Ohio eleven. He also is a letterman in basketball and baseball, and the proud wearer of an ODK key. John Crites and Harold Haynes won letters in football. Haynes was also awarded a letter in basketball. Duffy, Daniels, and King won freshman numerals in football.

Brothers Levering and Foster were members of MSGA. In varsity debate the chapter was represented by Skriletz, Boutwell, and Levering. These men are all members of Tau Kappa Alpha. Brothers Skriletz and Petterson were elected to Masquers.

Brothers Gernhardt and Willett are Blue Key men. The house has three glee club men, and Brothers Crites, Southard, and Willett are members of Phi Mu Alpha.

Social events have been numerous and enjoyable. At Thanksgiving a banquet in honor of Hubert Foster was held. Speakers were Dr. A. A. Shaw, and Dr. F. W. Shepardson. The second large banquet was held in honor of the new initiates on March 29. Dr. F. G. Detweiler was toastmaster for the evening. Three formal dances have been held in addition to the pledge formal dinner, and the annual commencement dance is to be held at the Granville Inn.

Another faculty member this year is a Lambda Chi. He is E. Clark Morrow. Other faculty members include Detweiler, Howe, Shumaker, Johnson, Hodges, and Morgan.

Richard Gernhardt served as chapter president this past year and his leadership was greatly responsible for the chapter's success. New elections resulted in the following: Charles Taylor, president; Hendley Gregg, vice president; Harry Willett, secretary; Jesse Skriletz, treasurer; Hubert Foster, pledge trainer; and Dan Chase, social chairman.

S I G M A A L P H A E P S I L O N

The successes which Ohio Mu Chapter has enjoyed thus far were foreshadowed early in the year by the pledging of 25 men, one of the strongest and largest groups on the campus. One of their members was elected to temporary presidency of the freshman class. Others of their achievements are four members on the staff of the Denisonian, two men on the debating team, four players in the Freshman Guild, and four members of the freshman football squad.

The most outstanding man in the chapter is Richard Neuschel who, besides serving as president of the fraternity for two terms, has been president of Omicron Delta Kappa, president of Tau Kappa Alpha, vice president of Men's Student Government Association, vice president of Interfraternity Council and a member of Pi Delta Epsilon. Danner Hagerstrand served as Business Manager of the Denisonian and of Masquers, as treasurer of Pi Delta Epsilon, and is a member of Omicron Delta Kappa. Herman Rhu has held the offices of president of Blue Key, treasurer of Men's Student Government, and as a cabinet member of the Y. M. C. A. Bob Acker has acted as student director of Men's Glee Club, member of Phi Mu Alpha, Omicron Delta Kappa and a member of the varsity men's quartet. Also in the chapter are a student director of the band, six members of the Men's Glee Club, two members of the varsity quartet, treasurer of the sophomore class, vice-president of Y. M. C. A., six members of Phi Mu Alpha.

Along with the extra-curricular work carried on by the chapter came the social program. The pledges were entertained with a formal dinner-dance presented by the active chapter. The men of the faculty were presented at the annual faculty dinner given in their honor.

On the gridiron this year we were represented by two varsity tackles, Jack Rader and Bob Gehrandt. "Sherm" Neuschel acted as varsity manager for the team. Barney Keller won his numerals for participation in freshman football.

In the minor sports, Jack Rader swims on the varsity team. In Paul Brady we have the low-scorer and captain of the Denison golf team, and president of the Ohio Intercollegiate Golf Association.

We finished a most successful season in the intramural program last year by annexing four trophies, including the coveted sportsmanship award. Thus far this year we have won but one trophy, that in foul shooting. Bill Morris and Bob Gehrandt are wrestling champions in their classes.

On the cinders we have in Bob Acker the high-point scorer of Denison's varsity track team of last year. Paul Welsh made the freshman basketball team this year.

B E T A K A P P A

Greeting the members of Alpha Iota of Beta Kappa as they returned in the fall of 1935, was the Pan Hellenic Scholarship Cup, won by the chapter the second semester of last year with one of the highest averages ever totaled by any fraternity. Although the past semester of this year the cup was lost by the narrow margin of 3 thousandths of a point, we hope that next fall it will again grace our mantle.

Under the leadership of President Alan Larimer and Vice President George McCuskey, ten men were pledged. Initiation of R. W. Whidden, a member of the faculty during the fall, brought a welcome addition to the chapter roll.

Athletically the chapter was represented in fall sports by Cliff Boye and Charles Mantynen in freshman football; Virgil Hull, Ed Jenkins, and Al Larimer on the varsity team, with Larimer winning his blanket awarded to three-year lettermen. George Ward, Herb Dornbush and Dave Turner were on the cross country team.

Because of the unavoidable absence of two of last year's champions and one runner-up in the persons of Larimer, Hull, and Riddell, Beta Kappa's weakened wrestling team finished up in the runner-up position this year. Dave Turner took his second straight championship, and Cliff Boye claimed his first. Ed Jenkins, heavyweight champion last year, broke his ankle in the final match and had to leave school. This will probably affect the outcome of the Indoor Track meet, as Jenkins was very outstanding in helping the chapter annex that trophy last year.

Other representatives of the chapter in varsity sports were Henry Haas and Kenneth Alban in baseball and Bob Boehnke and John Turnbull in swimming.

Our Intramural teams, while not yet champions, have shown much progress over the past years.

Alpha Iota has been prominently represented in other campus activities. Alan Larimer assumed the presidency of the Interfraternity Council, and was elected to Omicron Delta Kappa. Ken Alban, a member of Blue Key, was also on the Board of Control of Music. Henry Haas and John Turnbull were elected this year to Blue Key.

Franklin Wood, a member of Phi Mu Alpha, was a member of the Glee Club and the Varsity Quartet, and had a prominent part in the "Bartered Bride." The Denison Engineering Society claimed Robert Boehnke as secretary and Herbert Dornbush as treasurer. Masquers productions took the time of George Ward, while John Turnbull was on the Denisonian staff.

With George Rovin and Henry Haas elected as president and vice president for 1936-37, Alpha Iota is looking forward to another successful season.

AMERICAN COMMONS CLUB

Scholastically, athletically, and socially the Denison Chapter of A. C. C. has been at the top this year.

The opening of school found twenty-six actives returning to the "Old Brick." By the end of rush week twenty pledges brought the chapter roll up to a total of forty-six.

The Club won the Inter-fraternity scholarship cup at the end of the first semester. Don Western was elected to Phi Beta Kappa in his junior year.

In the Fall sports program the Commoners were off on the right foot and ended up with a perfect record of no defeats in any of the three sports. The speedball team won the championship with a record of eight wins and no defeats. Joe Sweeder, Bill Packer, and Bill Short were chosen as the members of the mythical all-Denison team. The archery team, composed of Finley Ferguson, and Woodrow Tiger ended with the same record of no defeats. Ferguson walked off with high scoring honors for the season. In the intramural cross country meet the Commoners' squad finished with a perfect score of fifteen. During the season Joe Dickson set a new Denison freshman record. Dickson, Ault, and Woolson earned their numerals in this sport. Rice, Ferguson, and Dyer were three of "Livy's six varsity harriers."

Two new names were added to the chapter's list of "D" men during basketball season. These were "Highpockets" Dewey and "Hiawatha" Short.

Again this year Fred Franz coached and captained the varsity swimming team. Dyer was also one of the Denison paddlers.

Weekly open houses and fraternity formal took place at the chapter house. The Inn was the scene of the Christmas party. Something different in parties was held Valentine Day when we turned the calendar back about fifteen years and enjoyed a real kids' Valentine party.

Paul Collyer wore the president's robes of the Franco-Calliopean society in its centennial year, and Brother Rice wielded the gavel in Cosmopolitan Club which held its state convention at Denison in the spring. The Club was also active in Chemical Society, Blue Key, M. S. C. A., and Math Club. Brothers Ault and Dickson represented D. U. on the Frosh debate team.

Six songsters including the contest leader represented A. C. C. among the Denison Glee Men.

The chapter entertained the men of the school at the first Inter-fraternity smoker which turned out to be a "howling" success.

Joe Sweeder served as chapter president, and Professor F. Dewey Amner as faculty advisor.

C H I O M E G A

Campus activity is one of the most important policies of the Delta Gamma chapter, and the approaching close of the year finds many of the Chi O's busy finishing up the last duties of office, and active participation in campus organizations. Elberta Smith is Vice President, and Mary Gray, Jr. Representative on W. S. G. A. Elberta Smith is also in Mortar Board. Marjory Bird is Vice President of Pan Hell. Ten actives and four pledges are now members of W. A. A., of which our President, Eleanor Lapham, is Secretary. Four Chi O house presidents are completing a year of successfully marshalled fire drills and hall meetings.

In carrying on a tradition, and at the same time keeping abreast of the current trends, Chi Omega continues the offering of a \$25 prize to the woman who submits the best paper on present-day problems in the field of Social Science. It is a source of pride that this prize has been won most often by Chi Omegas. The papers are judged by a committee of faculty members.

A new tradition, inaugurated only last year, is the presentation of a scholarship ring, awarded to the pledge making the biggest improvement in their grades over a specified period. Eleanor Clark was awarded this ring at the Pledge Formal this year.

As a project, the chapter undertook the complete redecoration of one of the rooms and the building up of the chapter library. The former is almost entirely finished, and the library shows much improvement. Delta Gamma hospitality and ingenuity contrived a number of clever parties wherein the house served as anything from a cocktail bar to a transplanted St. Moritz.

Thus Chi Omega can look back on a year of active as well as sustained achievement.

K A P P A A L P H A T H E T A

Never in Theta's history have her twin stars shone more brightly than they have this year. Intellectually, socially, and spiritually, we have tried to live up to the ideals of all Thetas, as they have been shown us by our predecessors.

Intellectually, we rank first, winning the scholarship cup for the semester 1935-36. Three of our girls have straight A grades: Evelyn Murton, Helen Jones, and Mary Jane Nesbitt, and three of our seniors were elected to Phi Beta Kappa: Harriet Herron, Virginia Lee Shepard, and Louise Wagner.

Socially, we have been represented in all college activities, developing leaders in every phase of campus life. Louise Wagner is president of W. A. A., Harriet Herron of Y. W. C. A., conducting Prayer Week, and Ann Sisson, advisor for Freshman Y., and president of the board of house presidents.

Marjorie Hunt and Louise Wagner are active in Delta Omicron; Helen Jones and Betty Lindstrom took part in the Masquer's production, "Dover Road." Ruth Orcutt and Marjorie Hunt represented us in Crossed Keys; Ann Sisson, Harriet Herron, Kay Kelly, and Louise Wagner, in Mortar Board.

Our president, Kay Kelly, was also vice-president of the Senior class, Barbara Taylor of the Junior class, and Evelyn Murton, of the Sophomore class.

After a short but tedious rushing season in which we entertained at the house, we emerged with nineteen pledges. Eleanor Williams was elected Freshman class secretary, and Betty Hartman social chairman for Freshman Y. Dorothy Fess was made president of the pledge class.

Margaret Lindstrom, our social chairman, led us through a round of entertainments, our parties at the house of which the high spots were the Founders' Day banquet, in January, and a clever Valentine party.

We were honored by the visit of our national president, Mrs. Banta, whose charm and personality endeared her to us all. She embodied every Theta ideal.

Marge Campbell was Prom Queen this year and all in all it was a successful year.

DELTA DELTA DELTA

On October 4th Tri Delta closed rushing season with a lovely Colonial Costume party, and on October 7 they officially began an active year with thirty-two splendid new pledges. It was the largest pledge class on the campus and proved to be a happy and active one as well. When twenty-two of these neophytes had been duly tested and approved, they were bedecked with their own shining Stars and Crescents on February 29.

The chapter splurged on their Fall Formal and entertained sixty escorts at the Granville Inn. The Informal scheduled for February 15 was very much informal, being a complete Bowery dance with suitable accessories. The Winter Formal was preceded by a dinner at the Buxton Tavern. Delta Chi met often before her open fireplaces for Sunday night suppers and teas.

At the Initiation banquet at the Inn, Margaret Shumaker received the Freshman ring given to the most outstanding girl in the pledge class. Nell Griffin, Mary K. Short, Buddy Eschman, and M. Shumaker were given the High Scholarship awards.

Marian Walthour has been "Prexy" this year, and Libby Hix guardian of our pledges, while Jessie Mae Vanderbilt and Peg Pickrel were elected top officers for next year.

Tri Delta was represented by two girls on the W. S. G. A. Council, three on the W. A. A. Board, and three on the Y. W. C. A. Cabinet. For the coming year Peg Pickrel is Y. W. President, Lillian Colwell is W. S. G. A. Vice-president, and eight Tri Deltas are on the W. S. G. A. council.

Jessie Mae Vanderbilt covered herself with glory as the lead in Smetana's operetta, "Bartered Bride." Six girls are in the Glee Club and went on the spring tour of eastern cities. Celianna Isley, Connie Winchester, and Ruth Jennings were on Freshman Y Cabinet, and all of the thirty-two pledges were in the Freshman Y. Jill Smith was elected Vice-president of the Freshman class.

Many Tri Deltas are in Chapel choir, A Cappella, and Chorus. There are also many in Franco-Calliopean. Dottie Smith and Lillian Colwell were both seen in Masquer's productions this year.

Our outstanding pledge class seems to have spurred us on, and we are anxious to find next year booming under the new officers.

K A P P A K A P P A G A M M A

As a climax to the rushing period last fall Kappa Kappa Gamma pledged twenty-one girls and since that time has pledged two others.

Ruth Ford, president of the chapter, served for the fourth year as a class officer, being secretary of the Senior class. Irene Howell was secretary of the Junior class, and Cornelia Cartter acted as Sophomore class secretary.

Shepardson college tennis tournament was boiled down, by the process of elimination, to one girl, Constance Palmer, who won the title for the fourth consecutive year. Mary Lou Marlow, Agnes Darrow, and Helen Darrow were members of the Women's Athletic Association board. Agnes presided over Orchestis, girls' dancing organization, while Helen was head of outing board.

Sally Marr, Mary Lou Pugsley, and Elizabeth Plum were members of the Chapel choir, and Mary Lou and Elizabeth were in the Girls' Glee Club. Several Kappas took part in "The Messiah" and "The Bartered Bride."

Franco-Calliopean, English honorary society, initiated Meredith Damschroder, Vivian Mercer, and Betty Barnes.

Serving as vice-president of Masquers, Sally Marr took an active part in dramatics. She played one of the leading roles in "Dover Road."

Cornelia Cartter was a member of the women's varsity debate squad and was coach of the pledges in the inter-sorority debate contests.

Agnes Darrow was honored by being elected into Phi Beta Kappa.

The chapter had a full calendar as far as social events were concerned. November 23 was the night of the first big dance, being the evening of the women's informal fall dances. Dancing and a buffet supper were the events of the evening. At the women's winter formals, January 10, the girls entertained with a dinner followed by dancing. The Panhellenic dance on February 15 was in the form of a victrola dance at the chapter house. During the course of the year victrola dances filled the remainder of the Kappas' social events.

Gamma Omega chapter feels that it has had a successful year. The girls have been active in Y. W. C. A., W. A. A., on the Adytum and Denisonian staffs, and have taken part in the various campus activities.

A L P H A P H I

After one final rushing party, Alpha Phi pledged twenty girls. The pledges started the series of pledge teas on the campus as has been the custom. Frances McKinney was elected President of the freshman group.

Dad's day luncheon caused much merriment and all the old songs were sung.

What a gaily decorated pig it was that made its entrance at the Beta Kappas' annual roast pig dinner! A ceremony handed down from the time of King Arthur followed with the lighting of the plum pudding. It was blue and silver and white at the house afterward for the dancing.

For the Pan-Hell formals, we turned artists and wore gay smocks. Our studio was decorated with red and white hearts, with prints on the walls and with several pictures just finished on easels.

The pledges gave one of the cleverest parties of the year for their pledge formal. Great bunches of black and white balloons, black and white streamers, and silhouettes drawn on the walls were used for decorations.

When Phi Beta Kappa elections were announced, three of them were Alpha Phis: Catherine Ball, Shirley Fitch, and Louise Mittendorf.

Jane Gregory was nominated for "Who's Who Among Students in American Colleges and Universities." Grace Broughton was elected President of the Women's Athletic Association for next year. Phyllis Freeman was initiated into Delta Omicron. Virginia Beck, Margaret Hopkins, Rosemary Spieler and Frances Wingert took part in "The Bartered Bride." Jean Weber was society editor of the Denisonian.

Martha Hering and Dorothy Linville were initiated into Phi Society; while Mary Besemer, Phyllis Beck and Grace Broughton took part in Crossed Keys activities; and Jane Gregory in those of Mortar Board.

Four of the Freshmen made W. A. A. this year.

Beta Kappa has enjoyed a very successful and happy year under the capable leadership of Grace Broughton as our president. We are looking forward to next year being just as successful. Perhaps as a parting word it should be added that we acquired two pins and two engagement rings this year.

ALPHA OMICRON PI

Alpha Tau has tried hard this year to carry out the object of Alpha Omicron Pi in that it has encouraged a spirit of fraternity and love among its members and has stood at all times for character, dignity, and scholarship, strong college feeling, and pure college politics.

Intellectually, socially, and spiritually Alpha Tau has had a most successful year. Our thirteen clever and enthusiastic pledges, under the leadership of Jean Gregg, have been a constant incentive to the active chapter. Ours were the only pledges on the campus who did not receive any D's or F's during the entire first semester, and it was our debate team composed of: Jane Cockerill, Ruth Geil, and Jean Yoder, which came out victorious in the Intersorority Debates.

The Alpha Omicron Pi's are quite active in all campus activities and organizations. Six of our members are in the Girls' Glee Club of which Katherine Wolfe is accompanist. Miriam Dorr and Phyllis Taber represent us on the Varsity Debate squad. Vangelina Cook was Head of Judiciary, while Dorothy Fuller, Jean Carle and Phyllis Taber handled the finances of Y. W. C. A., Student Government, and W. A. A. respectively.

Alpha Tau's social calendar has been filled with open houses, informals, and colorful formals such as the Sailor Party aboard the "S.S.AOPi," the Christmas dinner-dance at the Granville Inn, and the delightful pledge Jungle Jamboree.

Alpha Omicron Pi's are also philanthropically minded. Besides cooperating with Y. W. C. A., Mortar Board, and other campus organizations, doing social service work, we have carried on a project of our own in the Kentucky mountains where Frontier Nursing Service is a national Alpha Omicron Pi undertaking. Toys, yarn, and remnants were sent at Christmas time, and we are now trying to clothe a needy family.

This year Alpha Tau has been honored by the visits of two national officers. In the fall our district superintendent, Katherine Davis, was here on the campus and in March our national president, Edith Huntington Anderson.

1935-36 has been a most successful year for Alpha Tau chapter and we are looking toward the future with great expectations.

A L P H A X I D E L T A

Beta Delta of Alpha Xi Delta has enjoyed a happy year; and to begin this year we came to a new chapter house which is located at 135 N. Main street. The Alumnae have done a great deal for us in planning and furnishing the house. In order to share our happiness we entertained at a housewarming which was well attended by both the faculty and their wives along with the members of the Greek-letter sororities and fraternities. The house at this occasion was decorated with flowers sent from the sororities and fraternities.

At the close of the rushing season we entertained with a nautical luncheon. Our president, Ruth Knight, turned sailor and, with her efficient guidance, we sailed right through to a safe landing. Mrs. Grace Carlson, National Second Vice-President, attended this party.

From October 27 to 29, we had as our guest Mrs. Helen Howard, our Province President. While she was here, she was entertained by the Alumni and the Chapter at several dinners.

Our winter party, which we held on January tenth, proved to be a great success. Even the girls who decorated had a grand time doing it.

We had the pleasure, on February 2, of initiating Mrs. Gertrude Schmitt, who is now living at our house and will act as house chaperon. After the initiation we had a formal dinner at the Inn. Many of the alumni came back for this occasion which made it a sort of a homecoming for us. We believe that this has been a great step forward for us. We are very happy to have her with us and feel that she is indeed a great inspiration to the girls in the chapter.

On March 1 we initiated Jean Frances Essex of Portland, Oregon. After the initiation we had breakfast at the Granville Inn.

On March 2 we held the election of officers at which time Marguerite Dilley was chosen as president.

April 17th was our Founders' day. In the evening we entertained with a dinner at the house which renewed memories of the past years and brought back many old friends.

Beta Delta believes that the coming year will be more successful and we all hold high hopes for the future.

OMICRON DELTA KAPPA

Initiates of Omicron Delta Kappa are led to believe that they have been honored as much as if they had received membership in Phi Beta Kappa. The reason for this is that Omicron Delta Kappa recognizes achievement in extra-curricular fields, while Phi Beta Kappa is limited to the field of scholastic achievement. These two organizations serve to honor those at the top of each of the two classifications of University work, scholarship and activities.

However, in addition to being merely a society formed of those who excel in particular lines Omicron Delta Kappa strives to take some active part, as a group, in furthering the glory of Alma Mater. The outstanding example of this aim is seen in the Shelter house, finished last spring, through the efforts of Omicron Delta Kappa. This fall, during freshman week, this honorary society was host to all Denison men in the annual freshman week men's picnic, which was held on Sunset hill around the newly completed shelter.

In shouldering such projects as these, Omicron Delta Kappa tries not only to benefit Denison, but to bring about a closer unity among the student leaders who comprise the group. Frequent meetings of the organization serve to bring together heads of every type of activity. Problems vital to Denison are the subjects of discussion, and through the exchange of opinion, prominent men on the campus are better able to coordinate the affairs of Denison men's activities.

Membership to Omicron Delta Kappa is determined on a point basis, covering every field of collegiate endeavor, including athletics, scholarship, publications, debate, dramatics, music and student government. This fall five seniors and two juniors were elected. They were: Robert Acker, Hubert Foster, Alan Larimer, Fred Walker, Walter Clissold, Loren Souers and Robert Thorsen.

Under the leadership of Dick Neuschel, as president, James McConnell, vice-president, Dr. Lindsay, secretary, and Bob Brundige, treasurer, Omicron Delta Kappa has had a successful year.

Neuschel, McConnell, Lindsey, Brundige,
Acker, Bordner, Clissold, Foster,
Hagerstrand, Larimer, Powell, Souers,
Tappan, Thorsen, Walker, Warner,
Warren, Bjelke, Crocker, Detweiler,
Livingston, Mahood, Shaw.

Rhu, Larimer, Brundige, Alban.
 Arnold, Bordner, Cudmore, Davis,
 Doughty, Fitzgerald, Gernhardt, Harman,
 Holth, Lawrence, Powell, Tappan.
 Warren, Western, Willett, King.

B L U E K E Y

Never since its installation on the Denison campus in 1931 has the local chapter of Blue Key in every way more fully justified its purpose of service and promotion of Denison ideals and standards than during the school year of 1935-36.

The first step taken by the new administration, headed by Herman Rhu, to strengthen and coordinate group action was the innovation of the weekly luncheon meetings at various fraternity houses which kept the group in constant touch with campus affairs.

The promotion and organization of pep meetings during the football season, plus the sponsorship of Homecoming and Dads' Day celebrations combined with numerous minor campus improvements so attracted administrative approval as to receive formal recognition and thanks from the college authorities.

Proof of administrative confidence was shown by the placing of Blue Key in complete charge of the university Sub-Freshman Day program, a vital part in the university's publicity program, which was conducted in such a manner as to cause favorable comment.

The various conventions held here on the campus this spring also were aided in the functions and entertainment connected with such meetings. The reason for such a record of achievement is due to the personnel of the organization which includes two outstanding members of each fraternity on the campus. These men are chosen in either their sophomore or junior years and consequently aid the organization by their rather lengthy association with the group.

Prospects of continued successes for the group are practically assured by this method of membership selection.

Further indication of the organization's recognition is the fact that Omicron Delta Kappa, men's senior honorary, now allows membership in Blue Key to count toward entrance points into that organization.

Officers for the past year were: Herman Rhu, president; Robert Brundige, treasurer; and Alan Larimer, secretary.

PI DELTA EPSILON

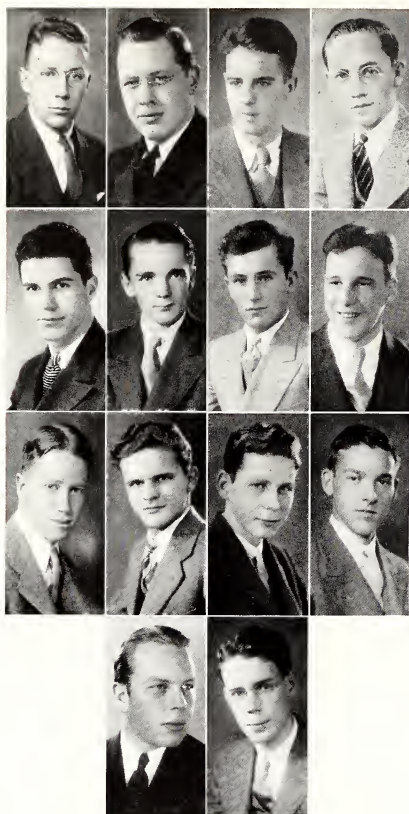

The officers of this organization are: president, James McConnell; vice-president, Richard Tappan; secretary, Richard Davis; treasurer, Danner Hagerstrand. Pi Delta Epsilon started the year off in great style by getting off a good blotter. This project was handled by Joe Carabelli, who spent quite a lot of time during the summer getting the ads. In October the directory appeared, which was handled by Danner Hagerstrand. Both of these projects were successful financially and were a great boost to our depleted treasury.

The meetings were held this year on the second Tuesday of each month. All the meetings were dinner meetings. We tried hard to get the national convention of Pi Delta at Denison, but for some unknown reason the convention never materialized. Pi Delta Epsilon in cooperation with Blue Key was responsible for the reviving of the freshman handbook. All of the work on this project will be handled by men of Pi Delta and Blue Key. At one time this year there were some criticisms about the Denisonian. Pi Delta Epsilon took this matter into their own hands and passed out questionnaires in chapel to find out how the student body as a group felt about the policies of the Denisonian.

The Denison chapter was granted its charter in 1929. The aim of the organization is "to create and maintain an interest in journalistic activities in the student body." Its membership is composed of the outstanding members of the Denisonian and Adytum staffs who have shown themselves to be extremely interested in journalism. The chapter is benefited greatly by the guidance of Profs. Whidden and Mahood. In 1932 Max Mueller, Newark photographer, was elected an honorary member due to his great interest and help in Denison journalism.

PHI MU ALPHA

Smetana's comic opera, "The Bartered Bride," was Phi Mu Alpha's greatest contribution as an organization to the campus musical program this year. The opera, presented in conjunction with Delta Omicron was undoubtedly the longest work undertaken in the history of the opera on the Denison campus. The cast presented three performances which were well received by capacity audiences at the Opera house. John Bigelow and Walter Clissold took the leading male parts while Robert Acker, John Crites, Arthur Kent, Harry Willett, and Franklin Wood took supporting parts. The opera was sponsored by the Granville Festival association.

As individuals the members gave much to the leadership of music on the campus. The student leader and the drum major of the band were respectively Franklin Wood and Reid Anderson. Glee club officers included Robert Acker as student leader, Walter Clissold as business manager and Arthur Kent as publicity manager. Six other members sang regularly with the Glee club.

There are 14 active members all of whom are looking forward to another successful year. Faculty members of the fraternity are: Dewey Amner, Frederick Detweiler, Karl Eschman, Don Fitch, Sam Gelfer, Arthur Huff, George Morgan, Brayton Stark, Malcolm Stickney, and William Utter.

Phi Mu Alpha was established at Denison in 1912 as a national honorary musical fraternity for men. Founded at the New England conservatory of music in 1898 it has earned unprecedented place in musical circles of America. Most of the outstanding men in music today are members of this fraternity, and constantly add prestige to this already prominent organization. The Denison chapter is constantly growing in the estimation of its neighbor chapters, and inasmuch as it represents, to a large degree, the musical leaders of the Denison campus, it takes a most active part in all musical programs and affairs.

DELTA OMICRON

As a national musical sorority, Delta Omicron was founded to create and foster fellowship, to develop character, to arouse and encourage the appreciation of good music and performance among musicians during their student days so that the highest degree of musicianship might be attained individually. The members feel that to a large degree this aim has been realized.

Delta Omicron, in cooperation with Phi Mu Alpha, men's musical honorary, and under the auspices of the Granville Festival association, presented "The Bartered Bride," by Smetana in February as its outstanding project of the year. This opera was received with enthusiasm for three nights at the opera house. Delta Omicron members taking leading roles were Jessie Mae Vanderbilt, Margaret Hopkins, and Charlotte Talbott.

One of the outstanding social events of the campus each year is the Delta Omicron-Phi Mu Alpha formal reception.

In endeavoring to sponsor music appreciation in the school and community, Delta Omicron sponsored the sale of tickets for both the Columbus Civic series and the Women's Music club series for the past winter season. The chapter has also backed all student and faculty recitals.

Faculty members and sponsors of Delta Omicron are Mrs. A. A. Shaw, Mrs. A. W. Lindsay, Mrs. R. E. Morrow, Mrs. Horace King, Miss Fannie Farrar, and Miss Sue Haury. The regular business meetings alternate with dinner meetings on which occasions various faculty members or sponsors are guests of the chapter.

Delta Omicron national musical sorority was founded in 1907 at the Cincinnati conservatory of music. Chapters are found in the leading music schools of the country and on those campuses where music is a major interest. Delta chapter was the outgrowth of the Clef club organized at the Denison in 1913. In 1914 the club was asked to become the fourth chapter of Delta Omicron.

Charlotte Ann Talbott, student director of the women's glee club, served as president of the local chapter for the past year, after attending the national convention at Interlochen, Michigan, during the summer.

Talbott, Vanderbilt, Lanning, Wilson,
Davis, Dickerson, Eschman, Freeman,
Guthridge, Hopkins, Irwin, Landrum,
Mather, Robuck, Sheppard, Wagner,
Walton, Wiltgen, Wooten.

Smith, Kelly, Wooten.
Gregory, Griffin, Herron.
Robuck, Sisson, Wagner,
Olney, Shaw.

MORTAR BOARD

The 1935-36 Cap and Gown service program included several projects. Its main aims were: to help Dr. Shaw in securing money for the University building fund; and to help Granville school children in need of nourishing food and adequate clothing. To carry out these projects, Cap and Gown sponsored a tag day, a benefit movie, and the I. A. W. S. convention dance, the latter in conjunction with Omicron Delta Kappa.

The petitioning of Mortar Board, national senior women's honorary, was also carried on. In the spring the charter was granted and Denison was installed as the sixty-first chapter of this organization. Mortar Board elects its members on the same basis as Cap and Gown: leadership, scholarship and service.

Mortar Board has an interesting history. Four local senior groups from Cornell, Swartmore, Michigan and Ohio State universities joined to form the national society. The name comes from the local name of the Michigan and Ohio chapters. The tiny black mortar board had long been the means of recognition for the Ohio women. Since its founding, Mortar Board has grown into a national organization with chapters in almost every state and with some 20 alumnae organizations.

Each Mortar Board chapter is individual and in many ways unique. Service programs vary as do tapping and initiation traditions. It has been customary for Cap and Gown to elect members on May day of Mother's week-end. At Denison the women senior honorary was originally called White Nuns Society which was organized to correspond to Mortar Board as nearly as possible since the members wished eventually to petition. In 1928 the White Nuns disbanded and Cap and Gown originated. Since its founding Cap and Gown has had 61 members, all of whom are eligible to be initiated into Mortar Board.

CROSSED KEYS

Crossed Keys is a local honorary society for junior women, which was organized on the campus in May, 1926, with the purpose of fostering and promoting class spirit and of sponsoring friendly feeling between the campus social groups. Its members, selected as outstanding in activities and attitude, are chosen at the end of their sophomore year.

A special project of Crossed Keys is the regulation of chapel conduct to further courtesy towards the speaker. The members also take an active part in planning and directing Sub-Freshman week-end. On registration day members are stationed in Doane to help freshmen.

Crossed Keys holds regular bi-weekly meetings in the various sorority houses. Much of the pleasure and success which the members derive from it is due to their association with Dr. Charlotte Rice, the faculty adviser of the society.

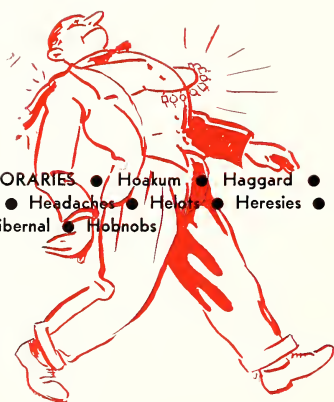

Members during the past year were Marjorie Hunt, Mary Morrissett, Miriam Dorr, Phyllis Taber, Lois Baird, Mary Gray, Ruth Orcutt, Frances Erb, Janet Chatten, Mary Besemer, Phyllis Beck, Mary Lou Marlowe, Helen Darrow, Grace Broughton.

Tapped this spring for membership next year were Catherine Sparks, Mary Spring, Elinor Eschman, Cathrin Coons, Virginia Beck, Mary Reiter, Jeannette Post, Nancy Warner, Katherine Oxley, Evelyn Murton, Helen Jones, and Frances Portmann.

Baird, Dorr, Beck,
Besemer, Broughton, Chatten.
Darrow, Erb, Gray,
Hunt, Marlow, Morrissett,
Orcutt, Taber.

PETTY
2609 COYLE AVENUE CHICAGO

October 9, 1935.

Mr. R. M. Thorsen,
1936 Adytum,
Denison University,
Granville, Ohio.

Dear Thorsen:

Your request to judge the beauties
for the '36 year book seems to be
a perfect formula of "How to become
unpopular overnight".

However, being exceedingly subject
to flattery, and a student of femi-
nine charm, we'll be happy to accept.

Sincerely,

GBP

Boys aren't the only ones who
huddle. Look!
What are you waiting for
boys?
Heads or tails?
More diggin'.
Gene gives a glad hand.
Let's eat.

Aren't they sweet?
Boys dig too!
First hand dirt.
Spike it, boys.
A word from the prexy.
My Franz, it's Chief Rock!

Stopped at the line.
Take a bow, Dottie!
A packed stand for once (but
this was Homecoming).
Strenuous exercise, boys?
Shovel, the spellbinder.

Flash that toothpaste smile,
Hube.

They're playing heads up ball.

A rushin' holiday.

What's the matter, girls?

Modest boys.

Turn around, Mo.

She only carried a daisy
chain, but...

And now we commence.

Here comes the band.

Benched, Johnny?

The big dogs confer.

At the crack of the gun.

Feel out of place, Freshman?

Too late Spence, she's pinned.

Glad to mittcha.

Look at the Barrymore profile.

Riding for a fall, Skipper?

Who's the guy with the catsy haircut?

We're no Sophties.
 Beau Brummel Bordner (?)
 Such funny looking people.
 Water you doin' there?
 Won't you sit down, girls?
 A lotta good backs here,
 Tommy.

A cordial reception.
 Girls! Girls!
 Happy outlook.
 A motley mob.
 Bunny and Dicky at the Frosh-
 Soph Ball.
 On the threshold.

Hurt your foot, Benny?
 Don't they ever get tired?
 "A bunch of the boys were
 whooping it up."
 Fair onlookers.
 What you Doane there?
 Who's that guy?

Make way for the queen.

Dean and queen.

She's a queen all right.

Smile, George, like the other boys.

Winter on the hill.

THEY SAW FOOTBALL HISTORY MADE THAT NIGHT

YOUNGSTERS weren't the only ones who stared with open mouths that evening. A new era of Denison football was beginning and three thousand people were seated in the stadium for the occasion.

They witnessed the first blaze of light from the overhead search-lights on Deeds Field; they saw Denison football history in the making.

That illuminated playing field, a forerunner of many others, dramatized the fact that modern universities are "going places" today. As the world moves ahead they are keeping pace in educational practices and equipment. The afternoon game has been transformed into a sparkling night affair providing all the thrills under perfect lighting conditions.

Remember when the last quarter was often played in semi-darkness? Today, modern facilities insure uniform lighting throughout the entire game. No more necessity to use a crimson football to stop hidden ball plays as Harvard did years ago against the Carlisle Indians.

Throughout the length and breadth of the land lighting efficiency is the order of the day. Increased efficiency and economy have been realized for our customers in all commercial and domestic usages. These improvements have been made possible by continuous research in our laboratories.

Power is a decisive factor in the life of the undergraduate. It affects his surroundings and helps him to steer his course. It affords new experiences and means of acquiring knowledge which "stretch the mind."

Hand in hand with this advance has gone a marvelous record of social progress. It has meant an increase in the standard of living, an intensive search for higher education, and the prolonging of the life of human organisms.

As universities and their undergraduates prosper, Ohio Power prospers, for we supply the power which plays so great a part in their progress. It is for their continual advancement that our motto "Always at Your Service" has become our creed.

C O L U M B U S , O H I O

The editor and business manager of the 1936 Adytum have published what they believe to be a unique and progressive year book which embodies the spirit and essence of Denison. We do not for a moment contribute whatever success we may have achieved to ourselves, but to those who have acted as guideposts along the way.

The Adytum wishes to acknowledge the service which the Pontiac Engraving and Electrotype company and the F. J. Heer Printing company have rendered in the production of this annual. Especially, we wish to thank Frank Mawicke and Milton Fitch of Pontiac and M. C. Scheibel and Joe Otto of F. J. Heer Printing Co.

Through the courtesy of George B. Petty and the Esquire publishing company the Adytum has reproduced the four-color drawing in the beauty section. To George B. Petty we extend our hearty thanks for his interest and the prestige which he has given the 1936 annual.

The added charm of the Adytum is due in no small way to the efforts and ability of Jim McConnell. The layout of the division pages and the cover are his work. The advertising section, which we hope has taken on a new significance, has been laid out by him.

The Kingscraft Covers in the person of Mr. Deighton and the Mueller Studios under the direction of Max Mueller deserve our sincere appreciation.

In this last paragraph of the 1936 Adytum we wish "Godspeed" to Mr. Whidden who has given invaluable advice and confidence to the editor and business manager of the Adytum.
